This fall, 826LA relocated its center to 12515 Venice Blvd in Mar Vista in order to increase the organization's capacity to serve the community. 826LA also opened a store, The Mar Vista Time Travel Mart, which sells student publications and acts as the organization's gateway to the community. www.826la.org. Our new space has a back area that we hope to convert into a quiet patio with picnic tables, lights, and an emergency exit. The aim is to create a space for those students (especially middle and high school students) who need quiet in order to focus and effectively work one-on-one with their tutors. We are hoping the MVCC can assist in the funding of this project.*
