

ELECTIONS AND BYLAWS COMMITTEE-2019-PROPOSED BYLAWS CHANGES

Page 12 Article XIV Compliance Section 2 Training

CURRENT LANGUAGE:

All board members must take ethics and funding training prior to making motions and voting on funding related matters.

PROPOSED LANGUAGE:

All Board members must take ethics and funding training prior to making ~~motions~~ and/or voting on ~~funding related matters~~ **any motion before the board.**

All committee chairs/co-chairs/vice-chairs will also take ethics and funding training prior to making and/or voting on any motion before the committee. Training will be completed within 3 months of appointment. Proof of completion will be delivered to the MVCC's Secretary.

RATIONALE: Ethics training should apply to all motions, not just funding. It should also apply to all committee work. Funding rules have changed substantially since the city clerk's office/city controller took over the administration of the NC's funding program. Every committee proposing funding motions should have a basic understanding of the funding rules.
