Mr. Hanna

Good morning. The City is currently working on a redesign of the Washington Blvd Stormwater Diversion Project. I'll be coordinating a small group meeting with representatives from homeowner associations adjacent to the Project and City of LA's Neighborhood/Community Council Representatives to go over the redesign and traffic impacts.

I will email you later next week to give you an update on the progress of the redesign and potential time and date(s) for the small group meeting.

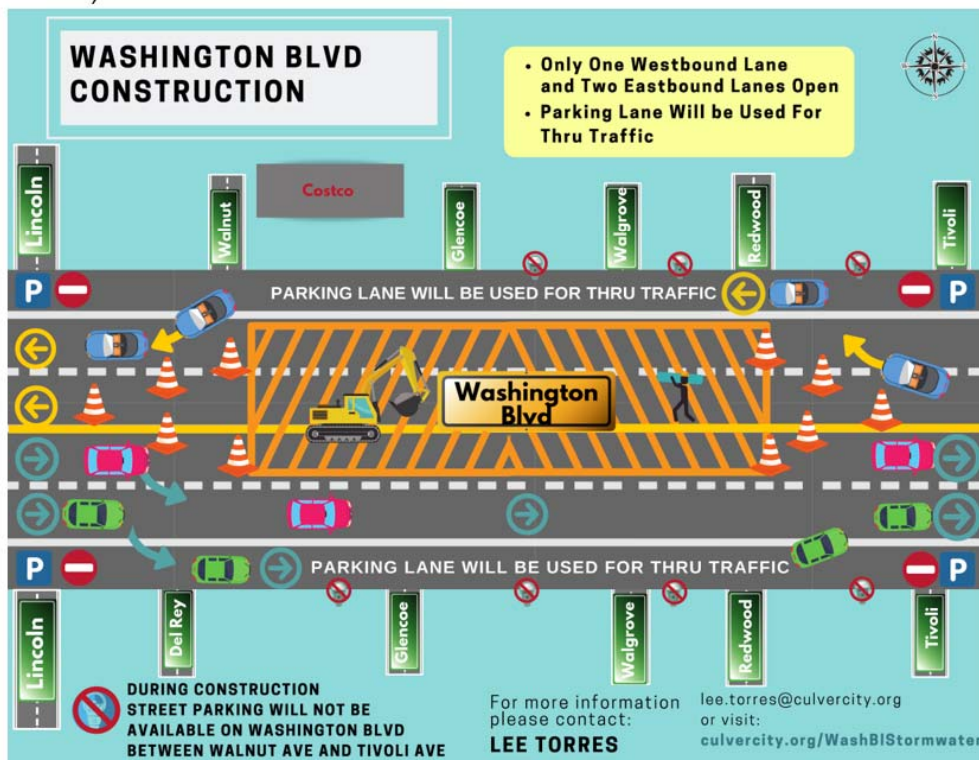

Thank you

2) T&I Committee report:

The Culver City Stormwater Project joint City of Culver City, Del Rey Neighborhood Council, Venice Neighborhood Council and MVCC Townhall will be scheduled either September 23 or 24, 2019 at Westminster Elementary School in Venice, CA. The discussion will include traffic and parking impacts of this project. The project will remove all parking and reduce the travel lanes to one Westbound and two Eastbound on Washington Blvd between Tivoli and Walnut Aves for at least 1 year (see map below).

More information on this project can be found at: <https://www.culvercity.org/city-hall/city-government/city-projects/washington-boulevard-stormwater-and-urban-runoff-project>

VIA EMAIL

TO: Councilmember Mike Bonin

CC: Hannah Levien, CD11 Field Representative, Mar Vista and Del Rey

September 10, 2019

Dear Mr. Bonin,

At the August 13, 2019 regular meeting of the Mar Vista Community Council (MVCC), Ms. Levien mentioned the StreetsLA Advisory Council which was established within the Bureau of Street Services "to discuss, analyze, review, deliberate, and provide recommendation on current and proposed StreetsLA programs and initiatives targeted towards renewal of our streets, the repair of sidewalks, and the revitalization of our urban forest." She asked that we contact your office with any recommendations of who should represent MVCC on that body.

Though several people involved with MVCC have demonstrated an understanding and interest in this area, one – in particular – stands out: At the recommendation of the Chair, the Board recommends Selena Inouye as the MVCC representative to the StreetsLA Stakeholder Advisory Council.

Sincerely,

A handwritten signature in black ink, appearing to read "Elliot Hanna".

12.7 [ADMINISTRATIVE][ExFin] Approval of Policy Regarding Use of MVCC Seal – Approval of a policy governing the use of the MVCC seal.

POL-2019-001 – Policy for Use of the MVCC Seal

September 10, 2019

1. Purpose

This MVCC Seal Policy establishes guidelines for the establishment and use the official seal to convey council endorsement of community events

2. Definitions

"Seal" refers to the official seal of the Mar Vista Community Council as shown below:

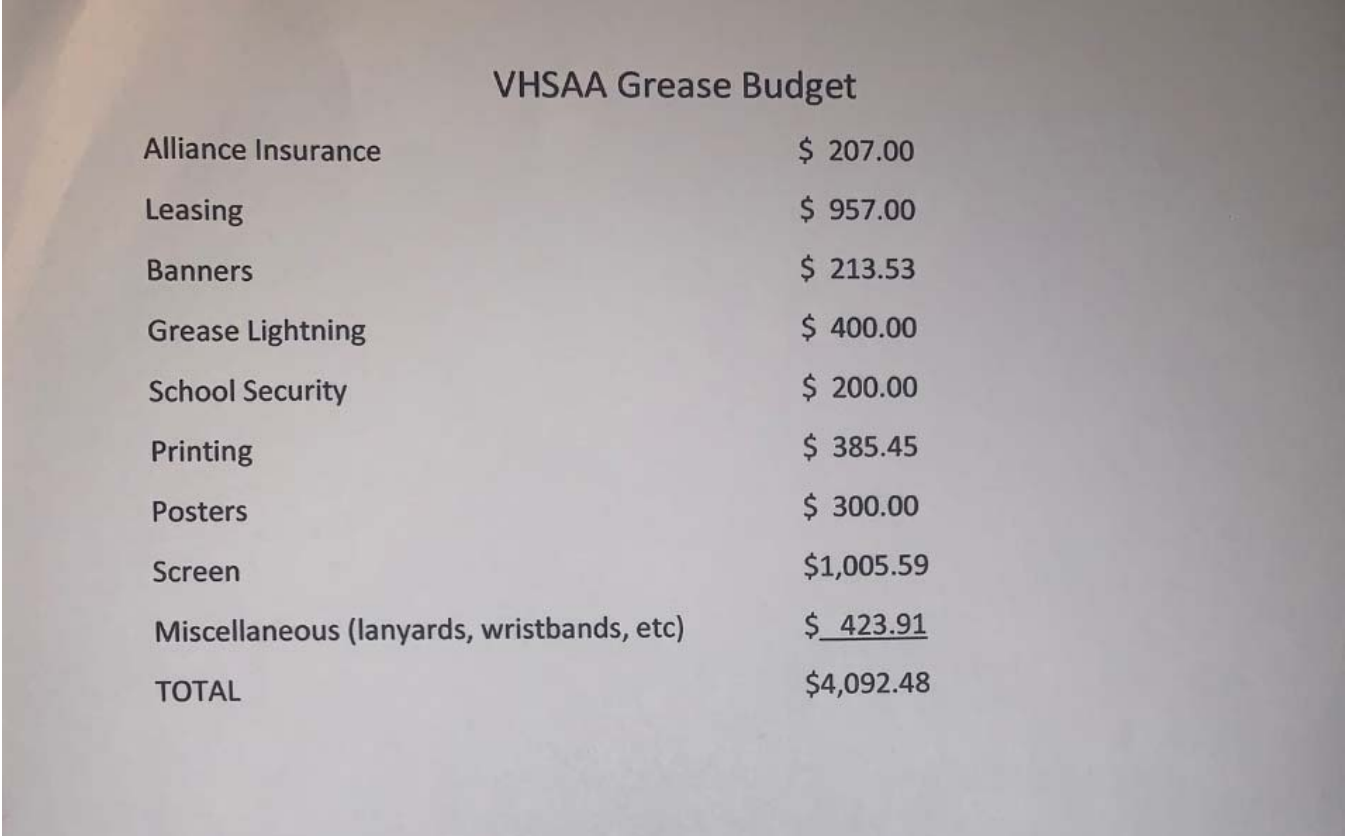

3. Policy

The Council has a long history of providing financial and other support to various community events. When providing sponsorship, the event organizers have often used the seal to convey that support. However, the council – up to now – has had no official policy regarding the use of its seal.

It is the official policy of the Mar Vista Community Council that use of the council seal must be authorized by a vote of the board for any event in which the sponsor wishes to use the seal. Use is limited to organizations eligible to receive council funding. Such authorization shall be on a case-by-case, event-by-event basis and must be granted by a vote of the Board. Blanket authorizations are not permitted.

SECTION II - PROJECT DESCRIPTION

4) Please describe the Neighborhood Improvement Project for which the grant is intended.
 Off set costs to host the annual GREASE outdoor movie night that takes place on the football field of Venice High School. It is FREE and OPEN to the PUBLIC, emphasis is on the neighborhood and it's stakeholders, community, student body and parents (families).

 The Funds received will directly pay for: INSURANCE, MOVIE SCREEN RENTAL and city PERMIT fees associated with the event costs.

5) How will this grant be used to primarily support or serve a non-discriminatory, public purpose and benefit the public at-large.
 This annual event has been fortunate to have received several NPG grants from the MVCC for the community. As VHS is the major high school in the jurisdiction, it services stakeholders by providing education to their children. As a way to bring together the community in an informal meet and greet at the event, it promotes neighborhood involvement and hopefully network to help support future MVCC sponsored events or other Los Angeles City programs. The VHS Alumni Association would like to collaborate more proactively with the organization as there is a common interest between the two in increasing community involvement and participation.

Gentlemen:

This is in response to your request for a determination letter of the above-named organization.

A review of our records indicates that the above-named organization was recognized to be exempt from Federal income tax in August 1979, as an organization described in Internal Revenue Code section 501(c)(3). It is further classified as an organization that is not a private foundation as defined in section 509(a) of the code, because it is an organization described in section 509(A)(2).

This letter is to verify your exempt status and the fact that the determination letter issued in August 1979 continues to be in effect.

If you are in need of further assistance, please feel free to contact me at the above address.

We appreciate your cooperation in this regard.

Sincerely,

Disclosure Assistant

12.11 [FUNDING][Outreach] Booth Rental at Westdale Homeowners' Association Block Party –
Approval of an appropriation in the amount of \$150.00 for booth rental at the annual Westdale Homeowners' Association Block Party.

CATEGORY: Funding

COMMITTEE: Outreach Chair

PURPOSE: Establish Outreach through Neighborhood Associations

BACKGROUND:

Neighborhood Associations are an important part of our community. Their boundaries are smaller and designed for specific sections of Mar Vista. These smaller venues provide a good opportunity for outreach to stakeholders.

Two constructive ways would be to have MVCC rent booth/tent space at their events as well as advertising in newsletters. Therefore, this motion is requested.

It is our hope to make the cost uniform across all Neighborhood Associations and provide a guide for future Outreach Committees. These costs were calculated with the input from the City as to what is considered customary, the MVCC Treasurer's recommendation based on experience, MVCC Outreach's budget, and the potential engagement from the community.

On September 22, 2019, the Westdale Homeowners Association (Zone 3) will hold their Annual Block Party on a public street in their zone.

This event is an annual gathering of the Westdale Homeowners Association members providing a venue for MVCC Outreach.

Ms. Oderberg, a Westdale representative, attended our meeting and provided information and answered all questions. Further details of this discussion may be found in the minutes for the 8/22/19 JOINT Outreach/RES meeting.

THE MOTION:

The MVCC approves an expenditure not to exceed \$150 for booth/tent rental at the Westdale Homeowners Association's block party to be held on Saturday, September 21, 2019.

This is a public event and is being held at a public venue. It is ADA accessible, free and the public is welcome. It is an opportunity for MVCC board members to interact with community members in a more informal setting.

15.1 [POLICY][Seretti] Support for proposed changes to L.A.M.C. 41.18 – Discussion and possible action regarding support of Los Angeles City Councilperson Mitch O’Farrell’s (CD13) proposed changes to Los Angeles Municipal Code (LAMC) Section 41.18 as defined in Los Angeles City Council File No. 19-0602-S1.

DIRECTORS MOTION:

MVCC Support of Responsible Restrictions to Sidewalk Camping

MOTIONED BY:

Armond Seretti, Mar Vista Community Council Zone 4 Director and Homeless Issues Committee Chair

BACKGROUND:

- On July 30, 2019 Los Angeles City Councilperson Mitch O'Farrell submitted motion documents to the Los Angeles City Council stating the following, exactly:

"Motion – In September 2018, the United States, Ninth Circuit Court made a ruling in the Case Martin v. City of Boise. The case did not apply to the City of Los Angeles directly, however, as the Ninth Circuit Court presides over California, the City Attorney should be requested to provide an ordinance ensuring that the City's Municipal Code abides by the Court's ruling. I THEREFORE MOVE that the City Attorney be requested to draft an ordinance amending Los Angeles Municipal Code Section 41.18 to delete subsection (a), with the exception of the language making it unlawful to obstruct or interfere with the free passage of pedestrians in the public right of way, to delete subsections (b) and (c) and to amend subsection (d) to conform to the 9th Circuit decision in the Martin v. Boise case."

This motion was seconded by President Pro-Tempore and Councilperson for District 6 Nury Martinez and referred to the Los Angeles City Councils Homeless and Poverty Committee. A copy of the Councilpeople's motion is attached to this MVCC Directors motion for reference.

- On August 15, 2019 this motion was scheduled to be heard for committee meeting on August 21, 2019.
- On August 21, 2019 this motion was heard by the Homeless and Poverty Committee and was subsequently unanimously adopted as amended. This matter has now been forwarded to the full Los Angeles City Council for consideration.

A copy of the Homeless and Poverty Committee Report, File No. 19-0602-S1 outlining the full recommended amendments of LAMC Section 41.18 to the City Attorney from the sponsoring Councilpeople is attached to this MVCC Motion for MVCC review.

MOTION:

- Whereas there is a housing and homelessness crisis in our city and our neighborhood, in which thousands have been forced to live on the streets; and
- Whereas the City of Los Angeles adopted section 41.18 into the Los Angeles Municipal Code (LAMC) that outlaws sitting, lying or sleeping upon any street, sidewalk or other public way; and
- Whereas the City of Los Angeles can no longer enforce that law due to the United States Court of Appeals for the 9th Circuit ruling on Martin v. The City of Boise, which determined that unsheltered persons may sleep in public spaces until there is sufficient shelter to house them; and
- Whereas the City of Los Angeles must therefore update LAMC Section 41.18 to allow for enforcement in a manner that is consistent with the 9th Circuit Court of Appeals ruling, which suggested that some very limited restrictions on sitting, lying, or sleeping on a public right of way might be acceptable to the Court; and
- Whereas Councilmember Mike Bonin has vocalized his support for housing, in accordance with the 9th circuit ruling, while also proposing sensible changes to 41.18 that may meet the requirements laid out by the Boise decision, including restrictions around sensitive use areas like schools, daycares and homeless shelter facilities; and
- Whereas allowing for such sensible restrictions without violating the central principle of the Boise decision is the best way to address the concerns of local residents about impacts on schools and other sensitive uses without risking another legal decision against the City that again stops enforcement of 41.18

Now, therefore be it resolved, that the Mar Vista Community Council supports changes to LAMC 41.18 to bring it into compliance with the Boise decision while allowing for restrictions against sitting, lying, or sleeping on streets, sidewalks, and other public right of ways around sensitive uses that include schools, daycares, and homeless shelter facilities.

If adopted, the Chair is to send a letter to both Los Angeles City Councilpeople Mike Bonin (CD11) and Paul Koretz (CD5) as well as to Los Angeles City Attorney Mike Feuer informing them of the MVCC's desire for them to support reasonable restrictions to sidewalk camping. MVCC requests a distance of 500ft from sensitive use areas and for sensitive areas to include residential daycare facilities

Additionally, this motion is to be sent to the Westside Regional Alliance of Councils for further consideration. If adopted by WRAC, WRAC and all associated Neighborhood and Community Councils are to be requested to follow MVCC's lead in sending formal letters to their respective Councilpeople as well as the City Attorney requesting they support the revisions to LAMC 41.18 implementing reasonable restrictions to sidewalk camping.

HOMELESSNESS AND POVERTY COMMITTEE REPORT relative to a request for an Ordinance to amend Los Angeles Municipal Code (LAMC) Section 41.18 to conform to the 9th Circuit decision in the Martin v. Boise case.

Recommendation for Council action, as initiated by Motion (O'Farrell - Martinez):

REQUEST the City Attorney to draft an Ordinance, repealing the current version of LAMC Section 41.18 and replacing it with the language below:

(a) No person shall obstruct the public right of way in a manner that restricts ten feet of clearance from any operational and utilizable entrance, exit, driveway or loading dock.

(b) No person shall obstruct the public right of way in a manner that restricts passage as required by the Americans with Disabilities Act (ADA).

(c) No person shall obstruct the free passage of pedestrians in the public right-of-way by engaging in the following aggressive behavior:

(1) Approaching, following closely or speaking to a person in a manner that is intended to or is likely to cause a reasonable person to:

(i) Fear bodily harm to oneself or another, or damage to or loss of property.

(ii) Otherwise be intimidated into giving money or other thing of value.

(iii) Respond immediately with a violent reaction because of the inherent nature of the reasonably perceived harm.

(2) Intentionally touching or causing physical contact with another person without that person's consent.

(3) Intentionally blocking or interfering with the safe or free passage of a pedestrian, including unreasonably causing a pedestrian to take evasive action to avoid physical contact.

(d) No person shall sit, lie or sleep in or upon any street, sidewalk, or other public right-of-way as follows:

(1) At any time in a manner that restricts ten feet of clearance from any utilizable and operational entrance, exit, driveway or loading dock.

(2) At any time in a manner that restricts passage as required by the ADA.

(3) At any time:

(i) Within 500 feet of a park.

- (ii) Within 500 feet of a school.
- (iii) Within 500 feet of a daycare center.
- (iv) In or upon any tunnel, bridge or pedestrian subway that is on a route designated by City Council resolution as a school route.
- (v) Within 500 feet of a facility opened after January 1, 2018 to provide housing, shelter, supportive services, safe parking, or storage to homeless persons.
- (vi) Bike and other recreational paths.
- (vii) Public areas (non-sidewalk) posted with *No Trespass* signs for safety purposes.
- (viii) Public areas posted with closing times for safety and maintenance purposes.
- (ix) Crowded public sidewalk areas like those exempted in the Citywide vending ordinance and other large venue-adjacent areas.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

(Council may recess into closed session, pursuant to California Government Code Section 54956.9(d)(2) and (e)(1) to confer with legal counsel relative to significant exposure to one litigation case).

Summary:

At its regular meeting held on August 21, 2019, the Homelessness and Poverty Committee considered Motion (O'Farrell - Martinez) relative to a request for an Ordinance to amend LAMC Section 41.18 to conform to the 9th Circuit decision in the Martin v. Boise case. The Motion attached to the Council file, includes some details of the matter.

After consideration, and after providing an opportunity for public comment, the Committee approved the recommendation as reflected above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

HOMELESSNESS AND POVERTY

MOTION

In September 2018, the United States, Ninth Circuit Court made a ruling in the Case Martin v. City of Boise. The case did not apply to the City of Los Angeles directly, however, as the Ninth Circuit Court presides over California, the City Attorney should be requested to provide an ordinance ensuring that the City's Municipal Code abides by the Court's ruling.

I THEREFORE MOVE that the City Attorney be requested to draft an ordinance amending Los Angeles Municipal Code Section 41.18 to delete subsection (a), with the exception of the language making it unlawful to obstruct or interfere with the free passage of pedestrians in the public right of way, to delete subsections (b) and (c) and to amend subsection (d) to conform to the 9th Circuit decision in the Martin v. Boise case.

15.2 [POLICY] Stakeholder motion in opposition to development at 11700 Charnock Rd. – Discussion and possible action regarding a stakeholder motion in opposition to the development at 11700 Charnock Rd.

ACE 1

Stakeholder Motion Submission to the MVCC

Petitioner: Tom Ponton, Stakeholder zone 4 (home), zone 2 (work)

Tom Ponton, 3661 Barry Ave LA CA 90066 8/25/19

-Whereas a motion to approve a request for a Vesting Tract Map #82166 change in order to subdivide a small lot into 6 tiny lots at 11700-11760 Charnock Rd, SW corner of McLaughlin, was narrowly approved by the MVCC Board on 7/10/18, Item 10. (Agenda item 14.2)

-Whereas the project was originally described as a three-story, six-unit development at 11700 Charnock Rd, but is actually 4 stories, plus roof top decks.

-Whereas more recent extensive outreach and a community meeting with the developer on 6/11/19 has uncovered over 150 nearby neighbors who strongly object to the project as documented by letters to the Planning Department.

-Whereas due to insufficient setbacks, the planned driveways for all 6 units would face Charnock, and would be shorter than the length of a car, causing a dangerous traffic situation at that busy corner, including potential obstruction of pedestrian walkway and visibility.

-Whereas the minimal setbacks would also allow very little open space and parkway on Charnock,

-Whereas the height and massing as shown in renderings as a single tall structure, is grossly out of context with the surrounding neighborhood and provides no height transitions from adjacent homes, and no varied rooflines as suggested in LA City Guidelines for Small Lot Subdivisions.

The MVCC does at this time rescind it's recommended approval of the Small Lot Subdivision at 11700 Charnock Rd and now recommend that the developer consider other options for the property, which are more in context with the neighborhood.

15.4 [POLICY][T&I] Centinela Blvd. Street-Sweeping Services in Zones 3 and 6 - Discussion and possible action requesting that CD 11 assign the “Clean and Green Team” to clean up Centinela Blvd. between Palms Blvd. and National Blvd. until regular street sweeping service can be established.

Centinela Ave. Street-Sweeping Services in Zones 3 and 6

Background: Zone 3 Director Mary Hruska was contacted by stakeholders in 2018 regarding this issue. She reached out to Bureau of Street Service and was told that Centinela Ave. between Palms and National Blvds. is not on any regular street sweeping route and they get to it whenever they can.

The issue was then brought to the T&I Committee. A motion was written for the June 8, 2018 meeting and passed on 8/1/18. It was placed on the MVCC BOD agenda for the August 14, 2018 meeting and passed by a vote of 10/0/1.

To date, no letter has gone regarding this motion.

Policy Motion: Establishment of Street-Sweeping Route and Services for Centinela Blvd Between Palms Blvd and National Blvd

WHEREAS: The Mar Vista Community Council (MVCC) supports maintenance and repairs on all of its major infrastructure assets, including thoroughfares such as Centinela Blvd. and

WHEREAS: It has come to the attention of the MVCC that there is no street sweeping route on Centinela Blvd between Palms Blvd and National Blvd,

WHEREAS It is suggested that there are no resources currently allotted towards this essential street maintenance,

THEREFORE, LET IT BE RESOLVED: That the CD11 office will work with the L.A. Bureau of Street Services (BSS), and LADOT to implement regular and ongoing street sweeping along Centinela Boulevard between Palms and National Boulevards,

THEREFORE, LET IT ALSO BE RESOLVED: That the CD11 office, the CD5 office, BSS and LADOT will review the status of street sweeping and other vital maintenance along all major thoroughfares within MVCC's confines.

Our dedicated "Clean and Green Team" got off to a fast start last week, cleaning 29 blocks on Venice Boulevard in Mar Vista and Venice, removing nine bulky items, clearing 21 storm drains and collecting a total of 1,410 pounds of trash and debris.

The five-person team from the **LA Conservation Corps** will focus on high-profile corridors in our neighborhoods, clearing overgrown vegetation, picking up litter, removing graffiti, and removing bulky items from the right of way. The teams will also work with other city departments to make sure service requests are reported through the MyLA311 smartphone app, and that Westside neighborhoods are looking great.

Make sure to say "hi" if you see the team working in your community!

MOTION: The MVCC requests that CD 11 assign the "Clean and Green Team" to clean up Centinela Ave. between Palms Blvd. and National Blvd. until regular street sweeping service can be established.

15.3 **[FUNDING][Outreach] Outreach to Stakeholders Regarding Proposed Construction –** Approval of an appropriation not to exceed \$1,000 for door hangers – including distribution costs - to inform stakeholders of proposed construction projects (note that PLUM passed a competing item not to exceed \$500).

CATEGORY: Administrative

COMMITTEE: Outreach

PURPOSE: Outreach to stakeholders increasing the awareness of and participation in MVCC functions, duties, and decisions.

BACKGROUND:

A part of true and effective outreach is to inform stakeholders of the activities of the MVCC and encourage stakeholder participation. It is the job of the Outreach Committee to think of new and out-of-the box ways from the usual and customary MVCC Outreach in reaching stakeholders.

As new construction effects everyone in the neighborhood, the Door Hangers inform stakeholders that MVCC is part of the building process and their participation is needed. These Door Hangers would be distributed to the homes around proposed construction sites.

The Door Hangers are written to be “generic” so they may be used without needing to reprint for each new proposed construction. The single-sided cards cost between \$300-\$450 for 5,000 Door Hangers. Final price depends on the chosen printer, design, and quantity. The attached picture was on the lower end of the price scale.

The backs are blank if additional information needed to be provided (e.g., the exact address). If handwriting were too time consuming, a stamp set could be purchased to provide speed.

Distribution would be provided by an outside vendor. The vendor who distributed the 2019 Election Newsletter has provided a price of \$195 for up to 250 Door Hangers. This price point is perfect because there are about 240 homes within a 500-750 ft. radius of properties in Mar Vista. Obviously, the exact number would change due to the configuration of the neighborhood. He added that he would make special efforts to reach apartment managers to ensure that renters’ receive this important information similar to what they provide for the DWP and other public services that use Door Hangers.

The Outreach Committee, without objection, passed this motion and respectfully requests the passage of this motion to begin a new way for the Outreach Committee to inform stakeholders about MVCC activities and to increase their participation.

THE MOTION:

The MVCC approves an expenditure of up to \$1,000 for the designing, printing, and distributing of Outreach Door Hangers. These Outreach Door Hangers would provide needed outreach to stakeholders increasing the awareness of and participation in MVCC functions, duties, and decisions.
