## PRESIDENT'S REPORT

### TRULY A SHARED ENVIRONMENT

• Jerry Hornof

At the Annual Meeting in January I announced that the 2020 theme would be *Sharing a Common Environment*, emphasizing that we are all in this community together. Little did I know how real that would be for our Westdale community, the city, the state, the country and the world. January seems like a life time ago. I hope you and your family are healthy, safe, and successfully managing the challenges the last few months have brought. I appreciate Mayor Garcetti's *safer-at-home* guidance ([corona-virus.la/](http://corona-virus.la/)) which has helped to manage the impacts of Covid-19 on our community. I am thankful and grateful for workers willing to sacrifice their own safety and well-being in this crisis. That includes the medical community, store employees, janitors, drivers, deliverers, food providers, and many more. I hope every one of those individuals finds safety and health as they work to get us to the other side of this pandemic. Their contributions are appreciated each and every day.

There has been much discussion about the use of face masks. The Atlantic magazine article entitled *The Real Reason to Wear a Mask* discusses how a mask can be a valuable tool for reducing virus spread ([www.theatlantic.com/health/archive/2020/04/dont-wear-mask-yourself/610336/](http://www.theatlantic.com/health/archive/2020/04/dont-wear-mask-yourself/610336/)). For me, the most important reason to wear a mask in public is out of safety, respect, and compassion for others. As Governor Cuomo stated "wear it (a face mask) out of respect for that young woman at the check-out counter. Wear one out of respect for the employees who keep the shelves stocked". Wearing a mask will reduce the risk of infecting someone else and placing more stress on the medical services that are required to treat Covid-19 patients. I encourage you to wear a mask because you care about your friends and neighbors, and recognize that
