DIRECTORS: Tilson, Rubin

PURPOSE: Retrieve Election Documents from the City Clerk's Office

BACKGROUND:

Two committees were heavily involved in the June 8, 2021 MVCC election: Elections & Bylaws and Outreach.

In Sections 7.2 and 7.3 of the *2021 Neighborhood Council Election Handbook* (<https://www.marvista.org/ncfiles/viewPageFile/4795>), the City Clerk makes certain election information "available for pick up by each NC". And "the newly-elected board must designate an individual to pick up" the materials. If not picked up, these materials "will be destroyed in accordance with citywide records destruction guidelines."

Any election information is valuable and should not be lost.

THE MOTION:

The MVCC authorizes Kathryn Wheeler to pickup/retrieve MVCC's 2021 election documents and information from the Office of the City Clerk.
