RE: COUNCIL MOTION TO RELEASE FULL HOUSING ELEMENT

Dear Ms. Gardner:

At the regularly scheduled meeting held August 18, 2021, the Mar Vista Community Council unanimously approved the following policy motion:

Whereas, the City of Los Angeles (City) is required by state law to update the Housing Element of the General Plan every eight years to accommodate the targets set by the Regional Housing Needs Assessment (RHNA); and

Whereas, the City Department of City Planning (DCP) began the process of updating the Housing Element in 2019; and

Whereas, DCP released a draft of the Housing Element in July 2021; and

Whereas, this update process is taking place concurrently with the Community Plan Update; and

Whereas, this draft plan does not include specifications by planning area, neighborhood council (NC) area or by parcel regarding the Housing Element update's impact and policy application;

Therefore, be it resolved that the Mar Vista Community Council Board of Directors request the Los Angeles City Council instruct the Department of City Planning to release target maps by parcel, neighborhood council area and planning area specifying planned zoning changes and allocated housing targets by income level.

Therefore, be it further resolved that a revised draft pan with appendices be released in full to the public as soon as possible.

Therefore, be it further resolved that a revised draft be issued with transparent and easily accessible data resources enumerating the aforementioned zoning changes and extend Public Comment 90 days after requested items are received.

Thank you for your thoughtful consideration of the matter,

Kathryn Wheeler, Chair
Mar Vista Community Council
