Mar Vista Neighborhood Purposes Grant Application

Project Details

The workshops will utilize a collaborative game that engages residents in shared problem-solving around challenges they might face in the event of a major earthquake. This engaging and interactive format provides residents with crucial disaster preparedness knowledge and skills that will help them prepare for any disaster. The collaborative format also cultivates a sense of community and shared responsibility as groups work together to solve their individual and communal challenges. Following the game, attendees will have dedicated time to discuss and plan neighborhood follow-up activities, encouraging residents to take ownership of community preparedness, and strengthening the social fabric of the Mar Vista community.

Workshops will be organized and run by Creative Crisis Leadership, an emerging non-profit* dedicated to helping communities prepare for disaster through the transformative power of experiential learning, games, and fun. We combine expert disaster knowledge, best practices, and educational game design to create engaging and effective learning experiences. Our team brings extensive experience in disaster preparedness training, instructional design, and community engagement. The collaborative game at the core of these workshops is an extension of games and workshops we have delivered in the San Francisco Bay Area to great success.

The requested funds will cover the costs of experienced trainers, events, and materials for Mar Vista workshops. Expenses related to instructional design, development, testing, and trainer training are borne by Creative Crisis Leadership. The Mar Vista workshops will contribute to the development of an adaptable event model and training resources that may be utilized by the Mar Vista Neighborhood Council and other community organizations in the future, offering impact beyond the initial workshops.

* Creative Crisis Leadership is currently applying for independent 501(c)3 status. We have been developing and delivering successful learning experiences since 2017. Since 2019, we have been under fiscal sponsorship of Social Good Fund, a 501(c)3 charitable organization whose mission is to provide fiscal sponsorship to community projects. This proposal is submitted under Social Good Fund auspices.
