

December

LA Bees Project

Whereas the Mar Vista Community Council launched the initial feasibility study and first motion of support that ultimately led to the legalization of urban beekeeping in LA Angeles: and

Whereas the USDA reports that the loss of bees continues in devastating numbers with a loss of 44% last year: and

Whereas there is an urgent need to educate the community about the role of pesticides and neonicotinoids in the loss of bees and the importance of pollinator gardens.

The Mar Vista Community Council votes to support the LA Bees Project, a collaboration between LA Beekeepers Association and Honeylove, in their campaign for education and outreach on the urgent need to create and protect pollinator habitats and locating potential locations for demonstration gardens in Mar Vista.

: 2017 Homeless Count MOU

MVCC agrees to the terms of the Neighborhood Council Opt-In Program MOU (See <https://form.jotform.com/62975488974177>) and will participate in the 2017 Greater Los Angeles Homeless Count.
