Councilman Bill Rosendahl
Los Angeles City Council, District 11
200 N. Spring Street, Room 415
Los Angeles, CA 90012
(213) 473-7011

Dear Councilman Rosendahl,

The Mar Vista Community Council, at its February 12th regular meeting, passed the following resolution, and is hopeful of your support in moving this to the City Council:

Whereas the Mar Vista Community Council recognizes the need to protect residential neighborhoods from the encroachment of commercial corridor spillover parking onto residential streets, and

Whereas the MVCC recognizes the need to support local businesses, and strongly supports creation of sufficient parking structures along commercial corridor streets to handle all parking needs for those corridors,

The Mar Vista Community Council Board Therefore strongly affirms the necessity of the current Preferential Parking Districts program to protect residential streets located in close proximity to commercial corridors from encroachment by nonresident traffic and parking. The MVCC believes that allowing and/or encouraging such encroachment would be a violation of both the Los Angeles General Plan's "Street Designation and Usages" sections and the "Neighborhood Protection Plans" sections of our Community Plans.
