APRIL CRIMES AT A GLANCE

For the month of April, residential burglaries continued to be the unstoppable crime problem in Mar Vista.

The M.O. mainly is multiple burglary suspects in a vehicle (sometimes two vehicles), enter the residential backyard, smash the rear glass door, and ransack the house. They target jewelry, cash, and high-end purses & watches. They targeted houses during all times of the day from the morning to the evening.

One notable information for the month of April were the burglars targeted heavily west of Centinela Ave in the neighborhood that is Walgrove to the West, Centinela to the East, Dewey St. to the North, and Venice Blvd to the South.

For Mar Vista residents that have not seen them, local news covered the Mar Vista burglaries at the end of April.
