- (38) are going to sign up for Green Power with the LADWP
- (39) do not intend to sign up for Green Power with the LADWP
- (40) have solar panels installed already
- (41) are going to lease or buy solar panels
- (42) have no interest in this

**To ensure better traffic flow, we need:**

- (43) better planning
- (44) to widen/alter streets
- (45) mass transit
- (46) all of these
- (47) none of these
- (48) a ban on any development that increases population density in the Mar Vista area.

**Developers should be required to:**

- (49) adhere to current city regulations regarding parking spaces
- (50) provide more parking spaces than currently required to keep cars off of nearby residential streets
- (51) create less parking spaces in order to force people to use their cars less and use mass transit instead
- (52) I don't know
- (53) I don't care

**The Exposition Light Rail Line will have a station at Sepulveda/Exposition, which should be:**

- (54) at street level with Sepulveda widened
- (55) elevated with a rail bridge, and no Sepulveda widening
- (56) I don't know
- (57) I don't care

**The increase in utility rates for L.A. to pursue cleaner/alternative energy infrastructure is:**

- (58) a necessary sacrifice for the environment
- (59) too much too soon in this economic downturn
- (60) I don't know
- (61) I don't care

**Should the City do anything about people going through the blue, recycling bins?**

- (62) yes, it is a crime and may lead to identify theft
- (63) no, these people need the income
- (64) yes, pick up the blue bins first
- (65) no, I will just put my blue bin out on the day of trash pickup.

**Was this survey one of the reasons you came out to vote in today's election?**

- (66) yes, it is important to continue
- (67) no, it's a waste of time
