RE: **RESTRICTION OF RESIDENTIAL CONSTRUCTION WITHIN 500 FEET OF A FREEWAY**

Dear Councilmembers:

At the regularly scheduled meeting held June 11, 2013, The Mar Vista Community Council unanimously approved the following policy motion:

The MVCC Board opposes, and strongly encourages the Los Angeles City Council to restrict, all new residential property construction less than 500 feet from a freeway in order to protect the health (due to inhalation of particulate matter from nearby freeways) of those who would potentially reside at such a location, and to protect the legal liability of the City of Los Angeles.

Sincerely,

Sharon Commins, Chair
Mar Vista Community Council
