

Mar Vista Community Council

Dear Friends of Mar Vista,

We are pleased to announce the 2010 Mar Vista Community Fall Festival will take place on Saturday, October 16, 2010 from 10:00 am to 4:00 pm at Mar Vista Park. The planning committee for "**Healthy Living!**" would like to invite you to participate in this year's event which promises fun for the entire family. Our healthy living themed Festival will include live stage entertainment, an art show, giant slides and bouncers, games, silent auction, food, arts and crafts, face painting, lots of living healthy information booths and demonstrations, and much, much more!

This year we expect even larger crowds than we have had in recent years. The state of the economy has affected summer vacation plans and even family trips to local amusement parks. Mar Vista families can save their gas dollars by walking over to the Park and spending the day in the warm Westside sun while listening to music, getting the latest information on healthy living and enjoying delicious food from our food and snack vendors. Children will be treated to an area just for kids with face painting, crafts, jumpers, and more.

New this year is a Community Art Show in the auditorium. Adult artists and art students from local elementary, middle, and high schools have been invited to participate. These artists will also have a chance to exhibit their work, which is sure to be quite exciting. We hope that you will find that the Mar Vista Community Fall Festival is the perfect place for your business. Vendors can obtain space and a 10' x 10' tent with table and chairs for \$50 each for nonprofit groups, \$100 for for-profit individuals/organizations and \$200 for commercial entities. Attached is an application which should be completed and received by **September 17, 2010**. Please drop off at the Mar Vista Rec. Center office or mail the application to:

Mar Vista Fall Festival
