Whereas, the Mar Vista Community Council (MVCC) is a duly-elected neighborhood council that strives to represent all stakeholders, including families with school-aged children, and

Whereas, the MVCC has significant concerns regarding both the educational quality of our public schools, as well as the rights, well-being, and quality of life of students and their families, and

Whereas, the MVCC has significant concerns about the operational costs and environmental impacts of air-conditioning LAUSD (Los Angeles Unified School District) facilities during mid-August, as well as both the physical and mental health impacts on students and their teachers,

Therefore, the MVCC strongly supports, and urges LAUSD Boardmember Steve Zimmer and the LAUSD Board of Education to adopt, a series of policies that:

- 1) Starts the LAUSD school year after Labor Day, or the week before Labor Day, for the 2017-18 LAUSD school year and beyond.
- 2) Establishes a better balance of winter and spring breaks, with the result of greater time off in the spring and less time off in the winter scheduled for the 2017-18 LAUSD school year and beyond.
- 3) Creates new and more appropriate methods of encouraging learning, and monitoring that learning, during the summer, winter and spring breaks scheduled for the 2017-18 LAUSD school year and beyond.
