5.1 Presentation by Arts for LA Arts Education Fellow-Laurey Bennett Levy

After decades as a graphic designer in corporate design, Laurey focused on family and volunteered in her children's public school for 10 years. Congruently, Los Angeles Unified School District [LAUSD] imposed budgetary cuts for their Visual Arts program. In addition to facilitating integrated curriculum based art lessons into classrooms, she began to see that there were thematic connections within each grade level and pulled those concepts together to create school-wide art shows each year her daughters attended.
