Venice Grind

Bill Duckett-Chair, Sherri Akers-Vice-Chair

AGENDA

1. Call to order
2. Public comment
3. Motion to approve September minutes
4. Old Business -
 - Feedback from BOD on committee mission statement
 - Outcome on joint policy motion of PLUM and T&I Committees on Community Impact Statement to include consideration for aging in place.
 - BOD vote on proposed motion asking Mayor Eric Garcetti to sign the Milken Institute Best Cities for Successful Aging Pledge.
5. Update on Mar Vista Fall Festival participation

6. New Business
 - Does the committee want to offer recommendations or collaborate with the MVCC Great Streets Ad Hoc Committee?
 - Discussion re: proposal by Michael Millman, Chair of MVCC PLUM Committee – “We need to focus on a plan wherein our seniors can live in their Own Homes. Social Security may not provide sufficient money to retain their homes – insurance, maintenance, and taxes may be too much for our neighbors. The code should allow them to rent a room or some other arrangement to keep their homes. We should allow our seniors to have extra rental unit on the property to permit them extra money so they can stay in their home or permit a caregiver to live on the premise. Granny Flats should be considered.
 - Follow up discussion on AIP committee's process: what kinds of baseline research will be done to establish direction for the committee? Can we identify numbers in terms of MVCC's seniors' range of goals and objectives to get that foundation for committee direction. Were members able to visit the senior housing on Grand View and report back?
