Community Plan Sub Committee:

- Continuing to pursue entities capable of creating Draft Objective Environmental Land Use Standards as outlined in Aug 2020 Motion
- Received extensive input to Community Plan from Del Rey Residents Association, much of which parallels the concerns of Mar Vista residents. Will present next meeting
- Continuing to draft additional input regarding proposed Duplexes including height and parking specifications as well as financial incentives for first time buyers
- Continuing to solicit feedback on 2 Opportunity Sites at the SM Airport
- Researching how proposed ReCode Zoning could be applied to preservation of tracts in Mar Vista not currently included as preservation areas in the Draft Plan. This would include the North Side of Pacific in Z5, the community encompassed by Westminster, Tabor, and Charnock Rd in Z1 and the cul de sacs east of Sawtelle on Brookhaven and Graham Avenues and Sardis Place in Z2.
