## Concepts Workshops

Did we get it right?

Join us as we share:

- · What we've heard so far
- · Draft Plan vision and policies
  - Initial zoning concepts

Spring 2019

## Zoning Feedback Activities

Be our zoning consultant! Help us select new zones that achieve your community's vision for the future.

**Environmental Scoping Meeting** 

#### Open Houses / Public Hearings

See the product of your hard work and input. Review the draft policy document and land use changes and provide formal comments so we can finalize the proposed Community Plan.

### Commissions, Committee, and Council Hearings

Almost there! Appointed and elected officials review the proposed Community Plan throughout the adoption process:

West Los Angeles Area Planning Commission (APC)

City Planning Commission (CPC)

Planning and Land Use Management Committee (PLUM)

City Council

## There are lots of ways to be informed and involved!

Talk to us at farmers' markets, street fairs, and other community events.

Bring your kids!
