Westside Pacific Villages NPG Application MVCC Attachment A

SECTION II – PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.

In response to the COVID-19 public health crisis and L.A. County's Safer at Home Order, Westside Pacific Villages (WPV) developed the WPV CARES (COVID-19 Action Response for Elder Support) program. The program is to support older adults age 65+ and those most vulnerable to the virus who must shelter at home. This program is being offered FREE to the public. Seniors and others who must shelter at home may sign up for the program through WPV's website or by simply calling the WPV office. Once in our system, they may then contact the WPV office for help as described in #5 below. WPV volunteers are vetted through WPV's normal background, screening process, provided training, and scheduled for assignments through the WPV office system. This grant is to request funding to support this FREE program to residents of the Mar Vista Community Council footprint through at least the end of August 2021.

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large.

WPV has a nearly 10 year history of supporting older adults who want to age in the homes and communities they love. As a result, WPV was able to quickly adapt and offer its existing infrastructure to help those most impacted by the COVID-19 pandemic. Through our WPV CARES program, WPV is providing the following at no cost: 1) contactless pickup and delivery of groceries and essentials by vetted volunteers (not online ordering); 2) regular social support phone calls; 3) training on how to use technology to expand social connectivity options; 4) complementary weekly care packages and meal deliveries to brighten an isolated person's week; 5) Wellness @ Home program with tips, activities and encouragement to stay physically and mentally fit while sheltering at home; 6) virtual activities on a variety of topics; 7) limited transportation services. WPV also proactively assisted client members in scheduling COVID-19 vaccine appointments and provided transportation to/from vaccination appointments. This service is still available as needed. WPV has supported many parts of Council District 11 including the Mar Vista area. We currently have 30 active volunteers and 35 clients receiving services and would like to ensure all residents of the area are aware of this FREE program which we anticipate running through at least the end of August based on L.A. County Public Health guidelines. While the City of Los Angeles offers similar services, WPV provides an additional option and has been able to respond quickly to the needs of community members. WPV volunteers also come from the local area which usually creates another valuable connection and commitment to those being served. If funded, and with the Mar Vista Community Council's (MVCC's) permission, WPV would like to incorporate the MVCC Seal on communications/marketing of this vital program and have the MVCC sponsor at least one of our weekly Friday deliveries to all WPV CARES clients. It is our desire to reach and continue to help residents of the MVCC footprint and are asking for funding to continue to support this effort. While WPV is a volunteer-driven organization, it has a small part-time staff who has been working tirelessly and volunteering their own personal time to coordinate the increased volume of

volunteer screening, training, client intake, client service requests and coordinating all the efforts required to run this FREE program to the community.

SECTION III – PROJECT BUDGET OUTLINE

6a) and 6b)

Please note the budget is a conservative estimate and based on supporting 35 seniors for an additional 10 weeks and screening 10 new volunteers in the MVCC footprint.

Dear Taxpayer:

This is in response to your Dec. 08, 2010, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in September 2009.

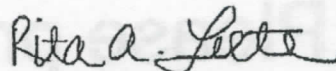

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section 509(a)(2).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Project Completion Report Form

Awarding Neighborhood Council: Mar Vista Community Council

Applicant Name: Westside Pacific Villages

Grant Amount: \$ 1,800.00

Date Granted: May 28, 2020

Please answer the following questions regarding the grant funding referred to above. Attach additional pages if necessary.

1. Please provide a summary of the overall project for which funding was granted.

WPV currently provides the service described in #5 of our new NPG Application to 35 residents in the MVCC footprint. It should be noted that in addition to the 7 services listed, WPV has also walked dogs, done yard cleanups and other small home handy projects for several MVCC residents. Since being awarded the grant last year, WPV added 10 new MVCC residents who have been receiving services and sadly 2 MVCC residents passed away. WPV recruited and screened 21 new volunteers from the MVCC area since being awarded this grant, however, not all are currently actively volunteering at this time.

2. Please provide a summary of how the project built community, enhanced the neighborhood, and served a public benefit.

WPV's slogan is "Neighbors Helping Neighbors" and the village concept is built on the simple premise of just that - neighbors of all ages helping their older adult neighbors in the community so they may continue to enjoy and remain in the homes and neighborhood they love. WPV enables the oldest MVCC residents to remain and age in the community and this is done by building a trusted network of support. Older adults, their families and the community at large benefit from this. WPV is an intergeneration support organization with volunteers of all ages experiencing the value of giving back and benefit of learning from their elders.

3. In an effort to improve our grant-making, we welcome any additional comments you wish to make regarding our grant application process and post-grant reporting process.

No feedback; the process is clear and transparent.

4. Please provide pictures of the project, including any before and after images if applicable.
