

POLICY MOTION

COMMITTEE: Executive/Budget & Finance

TITLE: Mar Vista Postal Service Delays

PURPOSE: Request assistance to improve Postal Services

BACKGROUND:

The Postal Service for the Mar Vista Community has greatly declined. It is affecting residents and businesses alike. Stakeholders have contacted the MVCC to complain as well as our own service has diminished which has hindered the work of MVCC Committees, especially PLUM.

As the Postal Service is a Federal Agency, speaking to them directly is not within our purview; however, our City Council may speak on our behalf. Here is the frustration of one Mar Vista Stakeholder left as a voice message (exact voice message by transcription service):

Hi, good afternoon neighbor. It's great to see Mar Vista communication paper again. The starting to people published off. I was just looking over what what I'm really missing. I don't know if this office has noticed the mail delivery is really a very very bad. Sometimes they could we could be missing a day or two of not delivered mail at all in the neighborhood and a documents that are being mailed is missing. I'm hearing from other neighbors. And I don't see it anything anything being said about this in here. I don't know if it's if Is this affecting all the communities in in the area or not? But definitely in some parts which one of them in the area in Cole on Colby Avenue. Anyway, it's it's happening and and post office has been contacted more than a few times and I get some other people's mail delivered to my house and wild get delivered to three houses up and down. I don't know. If this is something that could be worthy of communication or not. Have a great weekend, and it's great to see you. See you again. My wrists newspaper being published. Have a wonderful weekend. Thank you
