**COMMITTEE: Outreach**

**PURPOSE: PLUM Door Hangers for Stakeholder Notifications**

**BACKGROUND:**

Outreach is the primary goal of any Neighborhood Council. It is our job to make stakeholders aware of activity in their area and provide a means for their input.

PLUM meetings are very important to the community because it gives an opportunity for stakeholders to provide input regarding upcoming development(s) in their area.

The PLUM committee approves an expenditure not to exceed \$2,400 for the costs (e.g., designing, proofing, printing, board, distributing) for PLUM Door Hangers related to the proposed development at 3871 S. Grandview Blvd.
