CATEGORY: Funding

COMMITTEE: Outreach

PURPOSE: Bee Pollinator Flower Mixture Seed Packet with
MVCC personalization

BACKGROUND:

MVCC's Outreach's Committees' purpose is to engage with stakeholders and create awareness of
what MVCC is working on. To accompllish this, we communicate with stakeholders through weekly
emails, newsletters, and website. Most recently, we are able to have a table at the Mar Vista Farmers
Market where we will have the opportunity to meet our community in person, let them know what is
happening with MVCC and encourage them to participate. With that, we would like to give away items
that are both useful and informational.

THE MOTION:

The MVCC approves an expenditure, not to exceed $550 for costs (e.g., designing, producing)
Bee Pollinator Flower Mixture Seed Packet with MVCC Personalization for distribution to stakehold-
ers at events/meetings for example. These would be a lot of fun and interactive for the community to
beautify their homes in Mar Vista, AND to help the bees, who need our help. This expenditure would
be subject to the MVCC receiving its expected carryover of about $6639.72 from FY 2021-22 and/or a
surplus of funds from expected election expenditure of postcard mailers in the amount of $12,400.
