PURPOSE: To establish an event that is helpful to the Mar Vista Community and at the same time create an opportunity for Mar Vista and the Council to get to know each other at an event that is outside of the meeting walls.

BACKGROUND:

The Committee would like to create a Food Drive Event for stakeholders in the community for the year end holidays. We would partner with Nourish LA., our contact is co-founder Demetrious. We would coordinate with them. Drop off points offered at Mavro Coffee and Taverna on Venice Blvd. Sunday before Dec. 25th is a goal date. Goods to be collected/donated are: Dry Goods, Canned Goods, Furits, and even Diapers, Hand Sanitizers and Personal Hygiene items.

THE MOTION:

Funding Motion submitted by At-Large Director Carolyn K. Honda (Outreach Chair).

The MVCC authorizes an expense of up to \$500 for purchase of canned, dry goods for this event.

Does your machine shred everything?

Staples fasteners and paper clips are also shredded, and no need to take them out.

Does my stuff have to be in boxes?

For On-Site service, you can box it up or leave it loose. Either way, we still have to empty the contents into our containers.

What happens to the shredded material?

Shred-Time recycles all shredded material with a reputable recycling center. This helps to prevent environmental degradation through deforestation and enhances a safer, cleaner environment.
