 Purpose: Children’s Bike Safety & Community Engagement

CicLaVia Is coming to Mar Vista, and with it there is a day filled of vibrant public spaces, active transportation and good health through car-free streets, drawing families and communities out to the event. Unfortunately, the streets are not always car-free, and around 254,000 children are injured in bicycle-related injuries every year.

Director Ahmadyveasi motions MVCC to purchase children’s bicycle books to spread awareness about bicycle safety to the younger most vulnerable population of the MV community.

Motion: The MVCC approves an outreach expenditure for children’s books (Frank and Bert: the One Where Bert Learns to Ride a Bike and The New Bicycle) and stickers not to exceed \$700.

Title	Cover	Price	Quantity	Total
Frank and Bert: the One Where Bert Learns to Ride a Bike		\$17	15	\$255
The New Bicycle		\$17	15	\$255

Total of Books plus Tax: \$610

Additionally,  
 \$50 for 100 MVCC stickers to both hand out, and put on the books.
