

City of Los Angeles Office of the City Clerk Neighborhood Council Funding Program

Neighborhood Purposes Grants

Neighborhood Purposes Grants (NPGs) provide NCs opportunities to develop partnerships with local 501(c)(3) nonprofits and public schools to build community and enhance neighborhoods in the City of Los Angeles. Projects and activities supported by NPGs vary widely and can include, but are not limited to:

- The Arts
- Beautification
- Community Support
- Education
- Community Improvements

NPG-funded projects and activities must be for a *public benefit* and purpose, **open**, *accessible*, and *free of charge* to stakeholders.

Grants approved by NCs exceeding \$5,000 involve further review and possible City contract by the Office of the City Clerk.

Visit the NC Funding Program website page on NPGs (<u>click here</u>) to find out more details about how 501(c)(3) nonprofits and public schools serving NC areas can apply. There are two NPG Information Packets; One for prospective applicants to help guide them in the application process, and one for NC board members outlining considerations and factors to keep in mind while evaluating NPG requests.

A "Project Completion Report" template is also provided to help ensure accountability in the use of Grant funds and help demonstrate how NCs and their partners are supporting L.A. communities and stakeholders. NCs and NPG recipients are strongly encouraged to work together to complete and submit the Report at the conclusion of the project.

Any questions you may have with the NPG process, please contact us at the NC Funding Program:

SECTION II - PROJECT DESCRIPTION

Please describe the purpose and intent of the grant.

The grant will assist our organization to install privacy fence screens on the campus and install sun shades in the Transitional Kindergarten and Kindergarten yards.

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

The grant will benefit the well-being of the young students at Richland ave Elementary school in two ways:

- 1. Create barrier from public view, and prevent indecent exposures of pedestrians. There is an unhoused camp in the school neighborhood. We had an incident of an unhoused, undressed individual walking near our school fence. The privacy screen will safe guard our students from such indecencies.
- 2. As the climate in California fortifies, the summers are getting hotter and hotter in terms of temperature. With the latest passing of the California 2023 SB 515 for Protecting Californians from Extreme Heat, we are aiming to purchase and install sun shade sails on the campus.
