5. SPECIAL ORDERS – NONE

6. STANDARD ORDER OF BUSINESS - NEW - SEE [SUPPORTING DOCUMENTS](#) FOR DETAILS

6.1 Approval of the Minutes: August 5, 2025

Jakob/Delaram move to approve, no objections from April, Megan

6.2 [POLICY] Ballot Requests. Discussion and possible action regarding potential bylaw amendment regarding stakeholder ballot requests, further information needed, and best potential guest speaker to have in the future.

Jakob: Who can we contact for information?

April: Ashley from DONE can give us information. Potentially there is a way to do an in person election with observers. It's at the park and it looks like an election but smaller because it is only one place, at a certain time, on the weekend. You still have to bring documents to show you live there.

Jakob: People can also self-affirm in person.

Delaram: This gets foot traffic and brings more people in. Last time Tommy and I were saying how this would work better if it was a collaboration with other neighborhoods as well and combining them to not just be Mar Vista Park. It would allow for people to potentially have closer polling places too.

Megan: Online ballot requests were terrible.

Delaram: Could we partner with metro to advertise for our elections.

April: What do other councils do? We need to feel comfortable that it is our actual community who is voting.

Delaram: The license and uploading of documents is terrible and the self-affirmation is great, but it should have additional bullet points you have to check to show your relationship to Mar Vista. I saw a self-affirmation form from another NC election and it just had a signature with no other information. The signature form you have to use to become a candidate is more what we want for self-affirmation.

April: We still had one of the highest turnouts for the elections out of all the neighborhood councils. We aren't a part of the regular primary election because that is based upon being a registered voter, whereas for neighborhood council elections you don't have to be a registered voter. If we don't have enough people on the council and not all seats are filled, do we want to have a way of filling the seats that are unfilled without having to be from the right zone?

7. STANDARD ORDER OF BUSINESS - OLD

8. PUBLIC COMMENTS FOR ITEMS NOT ON THIS AGENDA - *The Brown Act provides for a "part of the meeting where the public can comment on any item of interest that is within the subject matter jurisdiction of the local agency." The MVCC is an advisory board to the Los Angeles City Council and, as such, its jurisdiction is restricted within Los Angeles and most importantly, the Mar Vista Community. Therefore, please keep public comments within the MVCC jurisdiction. Thank you.*

Delaram: The bylaws are currently hard to find if you are not familiar with the website. It would be nice if they were under the about page.

April: There are many active HOAs still.
