PorchfestLA was a resounding success. Of the six porches our chair visited, all had between 12-25 attendees, snacks, and wonderful cozy artistic talent from our community. It was great to see neighbors meeting one another. Aaron's only regret is not seeing our fellow board member and vice chair Deborah Poppink perform!

Committee announcement: Lisa Davis, the Community Arts Division Director at LA's Department of Cultural Affairs, will be our guest speaker at our December 9 meeting.
