## Motion

**TITLE:** Evaluating Traffic Speed Limit and Light Timing on Palms between Walgrove and Sawtelle

**COMMITTEE:** Transportation, Infrastructure, and Sustainability (TI&S) Committee

**THE MOTION:** The MVCC directs the following communication to LADOT: “Please evaluate the speed limit between Walgrove and Sawtelle on Palms and also the street light timing at the intersection of Palms and Beethoven given the current traffic flow and increased density.”

**BACKGROUND:**

- This section of Palms is at a higher speed limit, yet driveways with cars backing out are still present. Additionally, the timing of the street light at Palms and Beethoven creates congestion issues during rush hour.

**DIRECTED TO:** LADOT
