TITLE: Youth Director Candidate Statement

YOUTH DIRECTOR CANDIDATE:

- 1. Spencer Reisner**

Statement of Interest- Youth Director, Mar Vista Community Council

Dear Members of the Mar Vista Community Council Board,

My name is Spencer Reisner. I have lived in Mar Vista since I was born, and I have been speaking up for change for nearly that long. In elementary school, I participated in student government, and created a school newspaper. In middle school, I persuaded my school to create a student government. And in my first year of high school, I took an initiating role in creating the MVCC Youth Director position, which I ran for in 2025 and am now a nominee for again. Since then, I have also joined the Transportation, Infrastructure, and Sustainability Committee, where I have supported a better-designed LA and spoken out against mass surveillance.

As Youth Director, I will continue standing up for youth participation in politics, a fairer Mar Vista, and a fairer Los Angeles.

Sincerely,
Spencer Reisner
