

ADMINISTRATIVE MOTION

COMMITTEE: Director's Motion

TITLE: Letter in support of Nourish LA's application to 1% for the Planet

PURPOSE: Letter in support of Nourish LA's application to 1% for the Planet

BACKGROUND:

Nourish LA is a non-profit 501 (c) charity that operates within the MVCC area and has requested a letter in support for their application to join 1% for the Planet. 1% for the Planet is a global network with thousands of businesses and environmental organizations working together to support people and the planet. The 1% for the Planet model is accessible to businesses, credible for consumers and highlights organizations that are credible to receive donations.

THE MOTION:

Issue this letter in support from MVCC to support Nourish LA's application to the 1% for the Planet.

The Mar Vista Community Council of the City of Los Angeles supports Nourish LA, a nonprofit in becoming part of the 1% for the Planet environmental partner. Each weekend Nourish LA hosts a food distribution within Mar Vista which provides healthy food to individuals and gives an opportunity for members of the community to actively engage as volunteers.

Nourish LA has been a vital resource for low-income individuals and families facing food insecurity. Their food redistribution system, driven by intensive community engagement, includes numerous partnerships with local businesses, organizations and individuals, and is focused on reducing food waste in environmental sustainability. Nourish LA rescues healthy surplus food that might otherwise go to waste and ensure it reaches Angelenos in need.

Nourish LA has had a positive impact on our local Mar Vista community and would be able to increase their reach as a member of 1% for the Planet.
