13.9. [Funding] [DIRECTOR] Neighborhood Purposes Grant (NPG) Application for “Reducing Animal Stress” to help offset the cost of providing low-cost vaccines to Mar Vista pet owners

DIRECTOR’S MOTION (FUNDING MOTION)

TITLE: NPG Funding Request from Reducing Animal Stress, a local 501(c)(3) nonprofit organization, whose mission includes helping people and their pets stay together.

Background:

One of the ways Reducing Animal Stress supports this mission is by hosting Pet Resource Fairs in the community, providing pet owners with access to affordable resources and services. They are submitting a Neighborhood Purpose Grant (NPG) to help offset the cost of providing low-cost vaccines to Mar Vista pet owners. Affordable vaccinations can make a meaningful difference for families who may otherwise have difficulty accessing veterinary care, while also supporting the health and well-being of pets throughout the community.

THE MOTION:

The MVCC approves the NPG funding for Reducing Animal Stress for \$1000 to help offset the cost of vaccinations by providing low-cost vaccines to Mar Vista pet owners.
