MarVista.org

REGULAR MEETING AGENDA Board of Directors

MarVista.org > Council > Board

Thursday, June 18th, 2026 from 7:00pm - 9:00pm

PUBLIC WELCOME

Windward School, 11350 Palms Blvd, Los Angeles, Ca 90066 Room 20

Parking: Upon arrival, please enter through the Sawtelle Blvd lot as a member of the security team will show you to a parking space and will guide you to Room 20.

Si requiere servicios de traducción, favor de avisar al Concejo Vecinal 3 días de trabajo (72 horas) antes del evento. Por favor contacte Jakob Meuser, Secretaria, al (424) 256-3633 o por correo electrónico jakob.meuser@marvista.org para avisar al Concejo Vecinal.

Comments from the public on other matters not appearing on the agenda that are within the Board's jurisdiction will be heard during the General Public Comment period. Please note that under the Brown Act, the Board is prevented from acting on a matter that you bring to its attention during the General Public Comment period; however, the issue raised by a member of the public may become the subject of a future Board meeting. Public comment is limited to one minute per speaker, unless adjusted by the presiding officer of the Board.

If you are compensated to monitor, attend, or speak at this meeting. City law may require you to register as a lobbyist and report your activity. See Los Angeles Municipal Code §§ 48.01 et seq. More information is available at ethics.lacity.org/lobbying.

1. **CALL TO ORDER 7:05 PM**
2. **SPECIAL ORDERS**
 - 2.1 **Announcement of Youth Director Vacancy** – Announcement of the Board vacancy and the procedure to fill said vacancy.
 - 2.2 **Committee Appointment** – Assign member to Education, Arts & Culture Committee.
3. **ROLL CALL WITH EX PARTE COMMUNICATIONS AND CONFLICTS OF INTEREST** - *Roll Call shall include each board member declaring any ex parte communications outside of their duties and conflicts of interest pertaining to items on or related to this agenda.*

Delaram Ahmadyveasi absent excused

Ian Blue no/no

Derl Clausen no/no

Steven Hedge absent excused

Carolyn Honda no/no

Greg Kopelow no/no

Emily Lin absent

Andrew Marton no/no

Jakob Meuser no/no

Stephen Paddock no/no

April Peterson no/no

Deborah Poppink no/no

Jennifer Rafeedie no/no

Charlene Samiley no/no

Chloe Samiley no/no

Aaron Vanek no/no

4. WELCOME, ANNOUNCEMENTS and COMMUNITY MEMORIALS

Charlene: This is Chloe's last meeting with us, and I am proud of her as a fellow board member and her Mom. She has been coming to meetings for years and has been a great leader and voice for her community. It was a great opportunity to have this position open up. She is off to the Naval Academy last week. She was instrumental in conducting the survey that led to the Mar Vista mural project. I think it is great that we are letting our youth have a voice. We have a youth director vacancy, so interested youth please email Charlene with 20 signatures from MVCC stakeholders.

Chloe: Thank you all for this opportunity. I learned so much from Aaron and Carolyn and thank you Spencer and Jakob for creating this opportunity for the youth and I am happy to be the first of many youth directors to come.

Charlene: I am promoting Greg to first vice chair of the outreach committee and an appointing Leonardo Longo to the Education, Arts, and Culture committee.

Aaron: Leo has been amazing in responding and doing work on the Neighborhood Flags project and I would be honored to have him on the committee.

Leonardo: Interested in bringing a student voice to the EAC Committee.

Aaron moves/Greg seconds to approve committee appointments

Public Comment

Kelani: I will be sorry to see Chloe go but she has had a chance to see government work, such as with the cleanup of the 405 encampment. You have seen us fight yet get along, so hopefully this will not be the end for you. I was a legislative apprentice at age 16 and have been interested in politics ever since. Also congratulations to Leo, welcome and I am sure you will do great.

Spencer: I will be sad to see you go Chloe and best of luck at the Naval Academy. I am happy to see Leo joining the committee, more youth participation is great to see and important.

Board Comment

April: It would be good to have people not running again chair the EBC committee.

13-0-0-3

Charlene: I wanted to announce to the Board that midterm elections for executive officers will be held at the next meeting, so if you would like to nominate people for positions, please be prepared to do so. At last month's meeting, we had a large showing for Beethoven Market and had a packed house. I have been in communication with our contact here at the school to see if we can have a larger space when we have larger meetings from certain agenda items. I have heard concerns and complaints about last month's meeting.

Carolyn: We are going to be at Venice Fest on Saturday. We are also going to table in July at the Farmer's Market. We got our banners put up on Sawtelle! They will be up for a year.

4.1 **Santa Monica Airport Conversion Project (SMACP) Presentation:** Amber Richane, Principal Design & Planning Manager, City of Santa Monica – Special Projects

Amber: I am the principal design and planning manager with the City of Santa Monica. We are the team leading the airport conversion project which is in Santa Monica but borders Mar Vista on one side. The airport is at the southeast corner and is 4% of the land area of Santa Monica. We are allowed to close the airport at the end of 2028. In 2014, a local ballot measure passed by 60% only allowing the City to build new parks, public open spaces, or recreation facilities on Airport land. In 2017 we entered into a consent decree with the federal government allowing us to close it. We are required to let them be an airport until the end of 2028. Some acres are in Los Angeles, in Mar Vista, but the City of Santa Monica owns all of the land. This is a regional asset. The whole west side of Los Angeles will benefit. The County of LA did a park needs assessment in 2016 and this area is in great need. We have been working with the community starting in 2024 listening to what people will want. We are at the step of defining a framework diagram. This is our 102nd public

meeting and have had community meetings where 800 people have shown up. We are really trying to get information out there. Visit the website for guiding principles and more information. Passive recreation was the highest priority for people of the 94 uses put forward. This is the first time that we are taking the program and showing where things might go. We are thinking about how to bring people into the park and connect different parts of the park. There is deep history with this airport that we don't want to lose. The parking is currently very concentrated, and we would want to spread it around. We are focusing on providing places for people to connect with nature as SM builds more multifamily housing without backyards. We are also going to be sure and include active sports facilities. We want to keep all of the buildings there and enhance them. See website for framework diagram. On day one, we are going to focus on getting back this area to the public. You might be able to bike on the runway! We have gotten broad support for the framework diagram, the next phase is for planning with funding and phasing. Thefutureofsmo@santamonica.gov

Frankie: Where Dewey and Stewart come together, will that be open to cars? A: There will only be a bike and PED connection, no cars.

Kelani: I have spent a lot of time around this park. SM is known for having a large homeless problem in their parks. There is a lot of concern that this park will attract homeless. There is a group trying to stop this project out of fear trying to stop the homeless and developers also want to develop this land which would cause horrible traffic congestion for this area. This airport helped win WWII. This airport has been here forever. Is there any way that this runway could remain and have the business complex turned into residential. There are a lot of parks in this area, and Griffith Park is huge. I would rather see a mixed use and keep the airport. I am an aviation and history buff but also pragmatic. A: This project is different because there is already a fence that goes along the whole thing. We have the ability to open and close this park because of that barrier. The ability to have gates and locks and times when people are not supposed to be there makes it easier to enforce. We are working to not exacerbate a problem. Measure LC is a charter amendment, so it would need to go back to the vote of the people in order to allow for further housing. Our council in January of last year told us to study some housing, but that effort has passed. Additionally, there is a relationship between park as primary use and other uses that support it as ancillary uses. We believe that we will be able to program in some modicum of supporting vendors in the area.

Derl: I am very excited for this. Are there any connections with BBB and metro about how this will connect to the Eline?

A: Ocean Park already has the 8 line running to UCLA which passes by the Eline. We are trying to open everything up to bike and PED. Metro is looking at the alignment for the Sepulveda pass project and how to connect it. We are within a mile of the Bundy station, if we can start to make Bundy easier to walk on that would be great. We would want to create a park entrance at National from West LA. This would also be a potential transit hub.

Andrew: It seems like nature and immersive is on the Western side but Active sports are on the Eastern side, which is less desirable. Is there anything that could be done at the Eastern side that is more park-like? A: These sports fields will be grass, and how these edges are treated are very important to us. There will be walking paths going through this area. The eastern part will have some of the best views of the Ocean and the santa monica mountains.

Carolyn: How much parking will actually be here by Bundy? There will still be people driving and during events in this area people are parking in our neighborhood which sucks. A: Parking is absolutely part of this project as much as we want to emphasize biking and pedestrians. We will have a lot more control of this once the airport closes.

April: Are you going to have dog spaces? A: Yes, absolutely.

Stephen: For the area that is in Mar Vista, how is that area being addressed? It is owned by SM but is in the City of LA. Is there any kind of communication? A: The Westside community plan is working its way through the group. It is zoned for single family housing, as long as it remains municipal use they will allow it to remain that way.

Stakeholder: 23rd and Bundy get high traffic. Is there any considerations towards how the increased traffic ends up getting relieved around Walgrove? A: We will go through a whole CEQA process and evaluate those things.

April: Is there a plan to mitigate people parking and walking in? A: Yes, we are considering that. These areas do not have preferential parking yet.

5. ELECTED REPRESENTATIVE, GOVERNMENT AGENCY AND CITY DEPARTMENT REPORTS

Matt Halden CD11: I have been receiving emails from members of the community involving one off RV dwellings. If someone is living in their vehicle it makes enforcement harder because the city has to go through a specific process to compel the vehicle to move along. It is important that we are aware of where vehicle dwellers are. We are continuing with weekly operations to address encampment issues at Mar Vista park. Encampments are technically illegal at parks, but when enforcing officers are not on site it is difficult to patrol those areas. We are trying to build better rapport with the individuals involved. Saturday is Venice Fest from 12-8 along Venice Blvd. between Centinela and Inglewood. On Sunday we have our Venice Beach takeover for Paul Rodriguez day from 12-8.

Janet Turner for Ted Lieu: The congressman has created a social media project running on July 4. It is called America 250 veterans' commemoration. We are asking you to send a photo and small tribute of a veteran loved one. The congressman today introduced the return of world refugee day. Introduced another bill called keeping pets and families together.

Paige for Lindsey Horvath: She established our first ever ethics commission, a milestone advancing the mandate approved by voters back in 2024. This will direct the county departments to identify existing ethics related funding and positions. It will also direct the establishment of a budget for the ethics commission. This should restore trust and accountability in the county. We are hosting a world cup watch party on Friday June 26. Congratulations Leo and Chloe for being involved at such a young age.

Erika for DONE: Chloe joined the department at City Hall for the Empower LA youth conference and served as a panelist and shared her insight. She did a great job of saying why it's important to be involved in your local community. Budget day is coming up in 2 weeks on next Saturday at City Hall from 7:30AM to 12:30PM. There are also NC excellence awards coming up. The City Clerk's office requires that the NC do an inventory check every 2 years.

6. PUBLIC COMMENTS FOR ITEMS NOT ON THIS AGENDA - 1 minute per speaker, if time permits, more time will be given. The MVCC is built on Stakeholder participation and input; especially through

our committees (see MarVista.org > Council > Committees). The Brown Act provides for a "part of the meeting where the public can comment on any item of interest that is within the subject matter jurisdiction of the local agency." The MVCC is an advisory board to the Los Angeles City Council and, as such, its jurisdiction is restricted within Los Angeles and most importantly, the Mar Vista Community. Therefore, please keep public comments within the MVCC jurisdiction and on matters that the MVCC

may act upon in future meetings. Thank you for your involvement with the MVCC. Please feel free to contact us (info@MarVista.org) if we may be of service.

Aaron Vanek stepped out

Dorothy: I would love to see LA sanitation do a toxic waste pickup point at our park. When I walk all around Mar Vista I see a lot of toxic waste in the trash and right now you can go to the Airport or UCLA to dispose of it. It would be nice if sanitation could do a weekend where people could drop off toxic items currently in their garage.

Aaron returned

Kelani: Tomorrow is Juneteenth, learn about the history of it. Also it is Pride month and I lost a lot of friends to the AIDS crisis as a Baby Boomer. Also today marked the soft opening of President Obama's presidential center. Obama was raised in Hawaii and that is where he got his core values.

- 7. BOARD MEMBER COMMENTS** - 1 minute per speaker, if time permits, more time will be given. board members may make very limited comments and briefly respond to statements made or questions posed by persons exercising their general public comment rights (no action may be taken on matters brought up during general public comment).

8. ADOPTION OF THE AGENDA

Andrew moves/Jennifer seconds agenda approved without objection

9. APPROVAL OF THE MINUTES

9.1. May 21st, 2026 Meeting

Charlene: These are not as detailed because I was also running the meeting and Ian helped with managing the vote count. These are dry compared to Director Meuser's versions.

Clarifying Questions

Aaron: Would it be possible to amend this to note when we called for order and such since the meeting was contentious? A: I would like to be able to record that but I do not recall. At minimum we are supposed to record the vote count and note when the meeting is extended.

Charlene: We had a lot of comments, so I would be uncomfortable just adding my speech because the votes speak for it.

Tommy: One of the presenters said that he did not have the police recommendations with him and I obtained them later, can we add that to the minutes? A: No. At the presentation to PLUM they only showed the first page of the recommendations, the City had the full letter but they just didn't present all of it. The zoning administrator will decide whether to award the liquor license based on the recommendations.

Ian moves/Andrew seconds move to approve

Public Comment

Kelani: For years I have been stating that it was a huge mistake for Empower LA to minimize and marginalize the meeting minutes. These do not capture the essence of what occurred. This is not a very good record if anyone should use it as such. Years ago we had professional minute takers and the minutes were more detailed.

Board Comment

Jakob: Thank you for doing the minutes while I was gone.

10.1. [Administrative] [Funding] Budget Adjustments - Discussion and possible action regarding the budget adjustments for June 2026

April: As we approach the end of the year we have \$8,926 remaining and some additional expenses are coming in June, but we will end the year carrying forward over \$8,000 to next year.

Clarifying questions

Stephen Paddock: Was there an NPG that was not allowed? A: Yes, it would have improved a privately owned building and so it was not allowed. The money was not spent and so it is carrying over to next year.

Greg moves/Jennifer seconds to approve the consent calendar

13.2. [Administrative] [Funding] FY 2026-27 Administrative Packet – Discussion and possible action regarding the MVCC Administrative Packet for Fiscal Year 2026-27

April: We can vote on the packet now but we don't have all attachments in there for the insurance. Current officers are listed. We have allocated certain amounts to certain expenses or projects. I have divided the expenses into operational and more discretionary funds. I included a miscellaneous amount to give us some flexibility for reallocation later on. We have dedicated over \$5,000 to outreach. Everything for these items will require approval by the board through a motion. We will be budgeting \$10,000 for elections. We have also set aside \$10,000 for NPGs.

Erika: This should not include the rollover amount.

April: Could we amend right now to take away \$8,500 from elections to be added back later.

Clarifying questions

April moves to submit this package with \$1,500 in election expenditures instead of \$10,000/ Andrew seconds

Public Comment

Board Comment

Aaron: How locked into these amounts are we? A: Not at all, this is a starting point but we can adjust this in order to put things in different categories. When we get the extra money we will have to move to put it back into elections. There is another point at which we could amend the budget later.

- 13.3. [Policy] [OUTREACH] Support for the 2026 Venice Fest as a Mar Vista Community Event on Venice Blvd. between Centinela Ave. & Inglewood Blvd.** – Discussion and possible action regarding motion for MVCC to formally support the 2026 Venice Fest being produced on Venice Blvd. in Mar Vista, between Centinela Ave. & Inglewood Blvd., and to request that Councilmember Traci Park support the Venice Fest by funding, in whole or in substantial part, the street-closure fees, LADOT & LAPD costs, and related permitting expenses necessary for the festival to proceed on Venice Blvd. in Mar Vista in 2026.

Carolyn: This is asking us to send a letter of support that the Venice fest stay in Mar Vista and that CD11 supports that. This event brings a lot of people to downtown Mar Vista and it is really great for us. It would be nice to keep the celebration here. The event planner was saying that it is hard to do this without CD11 support for permits and some funding for facilities.

Clarifying questions

Stephen: Isn't this scheduled for Saturday? A: Yes, this would be supporting future festivals as well.

Greg moves to approve/Andrew seconds

Public Comment

Kelani: I am concerned that Venice Blvd. is being used this way as a tidal evacuation blvd. We need to start being more picky about what we close Venice for.

Stakeholder: Venice fest, I love it, and I have discussed it with many people. I noticed that last time they did not have portable barricades on other side streets which is important to avoid potential traffic accidents with this much foot traffic.

Stakeholder: Mar Vista should have its name on this fest.

Board Comment

Deborah: The performers get up on the stage and say "Welcome to Venice". People should know that this is Mar Vista.

- 13.4. [Administrative] [Town Hall Planning AD HOC] Selection of Venue and Date for MVCC's 2026 Town Hall in October** – Discussion and possible action regarding the MVCC selecting a date in the month of October to host its 2026 Town Hall, and also to select the venue (Mar Vista Branch Library or Windward School).

Aaron: The ad hoc committee has been meeting and we would like to book a venue. The two options are Windward and the Mar Vista Library. The library has a capacity of 60 and it can be opened specifically for us for a fee. We can cater or serve snacks for extra money. If we go with the library during Saturday and serve no snacks it costs nothing. Sunday includes an extra \$216 security fee in order to use the library when it should be closed. Windward would provide a space only on Saturday and could seat 140-230. There would also be breakout rooms available. There are screens and connections available. The total cost would be \$1,332.

Clarifying questions

April: What are we planning on presenting at the town hall? A: There would be a general presentation and then there would be breakout groups for the various committees. The idea is that we are meeting with the community and they are meeting with each other.

Carolyn: What do you think we need to do to get people to come to this versus a meeting? A: Marketing this is an outreach task. I don't know how many people we would get. At the farmer's market, our meetings, and the newsletter would allow people to RSVP.

Greg: We had a meeting on Grand View a year or two ago which was pretty well attended.

Carolyn: Say we book the library and start marketing the event, how many people do we need to RSVP in order to have the event. A: We have to predict what we are going to need.

Jennifer: I don't want to be a naysayer and I like this idea. What brings people here is controversial issues, I once participated in something like this that a realtor put together and there were 20 people. I wonder if it would be possible to carve out some of the time we already meet to do meet and greet time. Can we have a townhall at the meeting? A: My hope is that there is a lot of people who aren't aware we are here or what we do and how to do it. It was floated in the committee meeting that we have someone show up. This is important to introduce us the council specifically.

Carolyn: How about we have a December meeting that is more like a party atmosphere to have people mingle and meet.

Jakob moves for October 3 at the Mar Vista Library / April seconds

Public Comment

Kelani: Bonin had a townhall at Webster back in the day. You won't be able to have breakout rooms on a Saturday, this is a good try and since it's a try offer some pizza or something. You won't waste that much money if not that many people show up. Treat this as a meet and greet with food and a party.

Board Comment

Andrew: I think repackaging this as a meet and greet rather than a townhall could be good.

Stephen: That is what we have been talking about it as, town hall was just the name.

Jakob: Thank you to the committee for working on this, let's vote!

- 13.5. [Policy] [TI&S] Request for LADOT to Evaluate 1) Speed Limit between Walgrove Ave. & Sawtelle Blvd. on Palms Blvd., and 2) Street Light Timing at the Intersection of Palms Blvd. & Beethoven St.** – Discussion and possible action regarding the MVCC asking LADOT to evaluate the speed limit between Walgrove Ave. and Sawtelle Blvd. on Palms Blvd., and also the street light timing at the intersection of Palms Blvd. & Beethoven St. given the current traffic flow and increased density.

April: This would be a motion to have LADOT evaluate the items mentioned in the motion. There is a difference in the speed limits along different sections. A community member brought it up and was concerned about the speed limit and the timing of the light. After discussion, it was voted on to bring it to the board and have LADOT evaluate it.

Clarifying questions

Ian: The most dangerous portion of Palms is from Sawtelle to Overland. Would you consider amending this to include all of Palms to Overland.

Aaron: Should we direct this to Councilmembers as well? A: Sure.

April moves the motion but changes it to evaluate the speed limit between Walgrove and Overland, directs to LADOT and CD11 and CD5 as well / Jakob seconds

Public comment

Kelani: I support this even though I am one of the speeders.

Board comment

Ian: Thank you April for the amendment.

Charlene: A note to the board, LADOT takes forever with these things.

Jakob: I would second that idea, we have very limited power.

15. ADJOURNMENT Charlene moves/Greg seconds 9:25 PM

Public Input at Neighborhood Council Meetings – Comments from the public on agenda items will be heard only when the respective item is being considered. Comments from the public on other matters not appearing on the agenda that are within the Board's jurisdiction will be heard during the Public Comments for Items NOT on This Agenda period. Please note that under the Brown Act, the Board is prevented from acting on a matter that you bring to its attention during this period; however, the issue raised by a member of the public may become the subject of a future Board meeting. Public comment is limited to 3 minutes per speaker, unless adjusted by the presiding officer of the Board. Use the Zoom Link and phone numbers listed at the top of this agenda.

As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and upon request will provide reasonable accommodation to ensure equal access to its programs, services, and activities. Sign language interpreters, assistive listening devices, or other auxiliary aids and/or services may be provided upon request. To ensure availability of services, please make your request at least 3 business days (72 hours) prior to the meeting by contacting the Department of Neighborhood Empowerment by calling (213) 978-1551 or email: NCsupport@lacity.org

Public Posting of Agendas -

Neighborhood Council agendas are posted for public review as follows:

- Mar Vista Recreation Center: [11430 Woodbine St, Los Angeles, CA 90066](#)
- MarVista.org
- You can also receive our agendas via email by subscribing to L.A. City's [Early Notification System \(ENS\)](#)

Notice to Paid Representatives -

If you are compensated to monitor, attend, or speak at this meeting, City law may require you to register as a lobbyist and report your activity. See Los Angeles Municipal Code Section 48.01 et seq. More information is available at ethics.lacity.org/lobbying. For assistance, please contact the Ethics Commission at (213) 978-1960 or ethics.commission@lacity.org

Public Access of Records -

In compliance with Government Code section 54957.5, non-exempt writings that are distributed to a majority or all of the board in advance of a meeting may be viewed at our website, MarVista.org, or at the scheduled meeting. In addition, if you would like a copy of any record related to an item on the agenda, they may be downloaded from our website; visit [MarVista.org > Council > Board](#).

Reconsideration and Grievance Process -

For information on MVCC's process for board action reconsideration, stakeholder grievance policy, or any other procedural matters related to this Council, please consult the MVCC Bylaws. The Bylaws are available at our Board meetings and our website, MarVista.org.

Servicios de Traducción -

Si requiere servicios de traducción, favor de avisar al Concejo Vecinal 3 días de trabajo (72 horas) antes del evento. Por favor contacte a chair@marvista.org para avisar al Concejo Vecinal.
