

Mar Vista Community Council Meeting 10/22/2026 UPDATES

September was Preparedness Month, and the Supervisor hosted a Countywide Town Hall to address how Los Angeles County is preparing for the upcoming El Nino season, as well as how our community can prepare. The town hall was in partnership with several of our County Departments, as well as our Fire and Sheriff's Department.

If you were unable to attend the Town Hall, we do have a recording of it on our YouTube.

I am linking the recording here:
