

i'm thinking we make BOTH the same size.
3 feet tall x 4 feet wide.
That is the size of the MV one.
Then it will be symetrical.

Pricing is on next three pages.

I'm chuckling at how crazy this looks with notices duct taped on glass. and how our side looks so lame with board peeling.
hahhaha.
Let's fix this craziness.

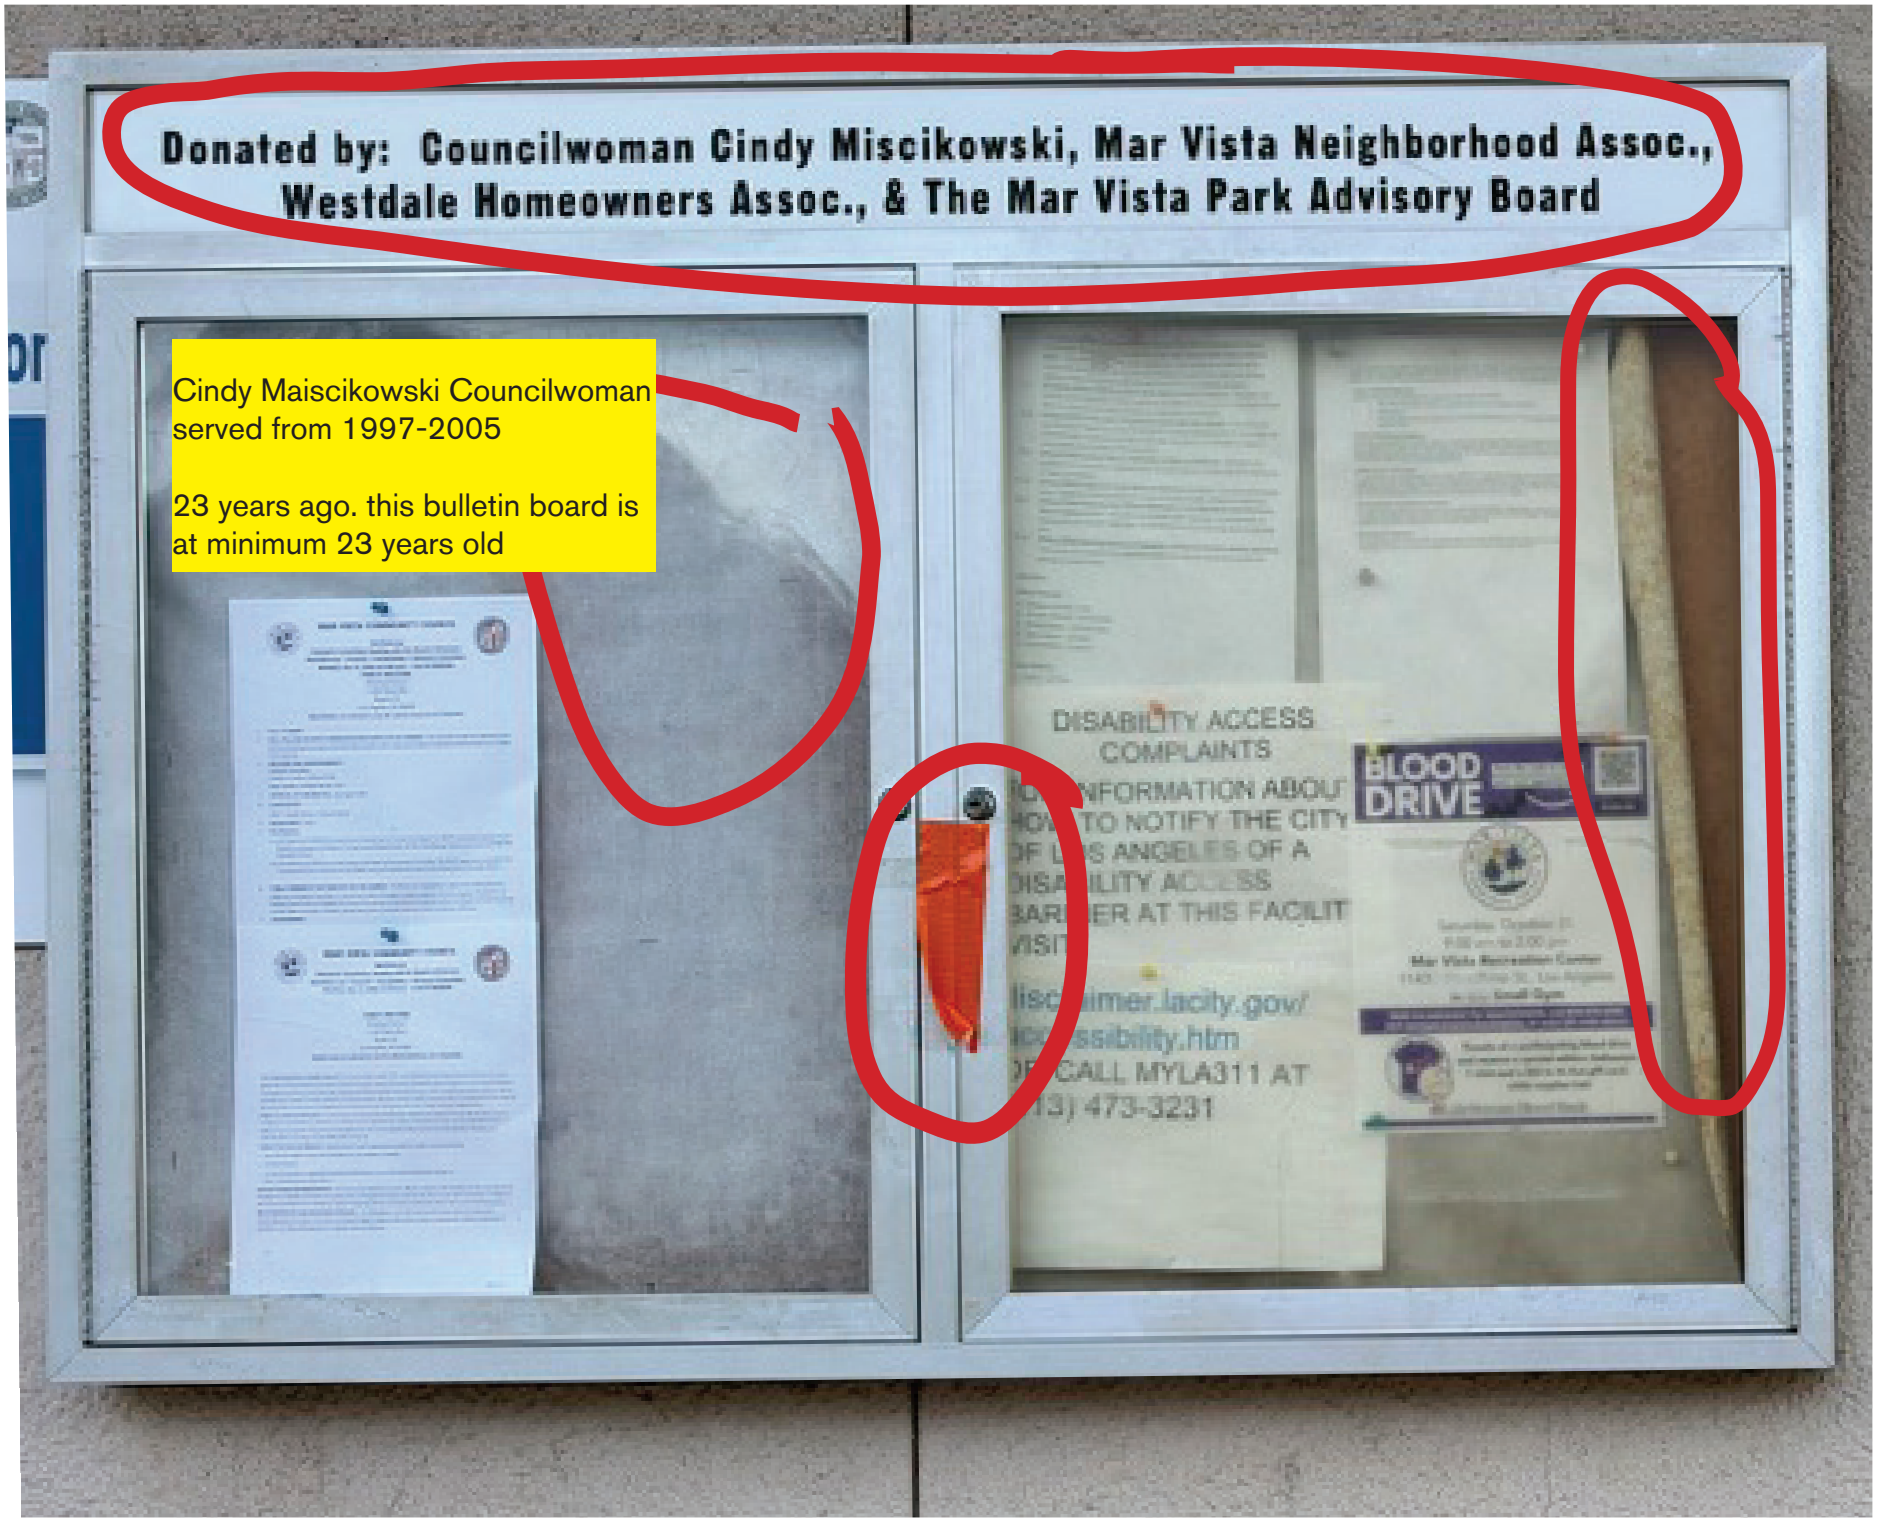

THIS IS EMBARRASSING

i'm thinking we make BOTH the same size.
3 feet tall x 4 feet wide.
That is the size of the MV one.
Then it will be symetrical.
