Re: Council File #14-0147, LEASH YOUR LID

Dear Councilmembers:

At the regularly scheduled meeting held March 11, 2014, The Mar Vista Community Council approved the following policy motion by unanimous vote:

The Mar Vista Community Council supports a motion [Council File #14-0147; introduced by Councilmembers Paul Koretz and Tom LaBonge] Requiring the Department of Water and Power to report to the Council I 30 days on the feasibility of adding cap/lid leashes to the Department's water bottles Requiring the Department of General Services to report to the Council in 30 days on the feasibility of requiring water bottle purchases made by City departments include cap/lid leashes. MVCC further encourages investigating the feasibility of replacing most single-use water bottles purchased by DWP and city departments with reusable bottles having lids that either do not require removal or are leashed.

Thank you for your thoughtful consideration of the matter,

Sharon Commins, Chair
Mar Vista Community Council
