Re: WATER FOUNTAINS: COUNCIL MOTION 13-1234

Dear Councilmembers:

At the regularly scheduled meeting held December 10, 2013, The Mar Vista Community Council approved the following policy motion by unanimous vote:

Whereas it would greatly support the reuse of water bottles, reduce waste, provide better access to drinking water and have tremendous environmental benefits, the Mar Vista Community Council Motion strongly supports the following motion going before the LA City Council Energy and Environment Committee - Motion by Councilmembers Tom LaBonge and Jose Huizar requesting the LADWP to work with organizations such as WeTap to report back on a comprehensive plan to upgrade, restore, and bring back public water fountains in public spaces in the City. MVCC requests that the fountains accommodate the refill of water bottles and a process for reporting broken fountains.

Thank you for your thoughtful consideration of the matter,

Sharon Commins, Chair
Mar Vista Community Council
smcommins@marvista.org
