At the regular meeting of the Mar Vista Community Council Board of Directors held May 8, 2012, the following motion was approved unanimously:

The MVCC supports a proposed "Q" condition height restriction of not more than 40 feet for all parcels on and adjacent to National Boulevard within the MVCC area bounded by the Overland Avenue on the East to the Santa Monica Airport on the West and urges the support by Councilman Rosendahl's CD 11 office and Councilman Paul Koretz's CD5 office and planning deputies to effect such Q Condition with the Planning and Zoning departments in the City of Los Angeles."
