The Mar Vista Community Council Board of Directors, at its regular June 8th Board meeting, unanimously approved the following motion:

Whereas, the Department of Water and Power has had, since at least August 2003, the voluntary Green Power Program which directs additional revenue exclusively to the development of “green” power resources, and

Whereas, there has been no reporting, to date, on this program,

Therefore, the Mar Vista Community Council requests that the Department of Water and Power disclose all revenue collected through the Green Power Program and all expenditures made using this revenue.
