The Mar Vista Community Council Board of Directors, at its regular December 8th Board meeting, unanimously approved the following motion:

The Mar Vista Community Council finds: A CEQA analysis is imperative prior to passing any Accessory Dwelling Unit ("ADU"), ordinance relative to implementing AB 1866. The MVCC requests the Los Angeles Department of Planning undertake the necessary analysis to gather data on environmental impacts of this ordinance, evaluate them and report back to MVCC. The MVCC further requests the interim ADU guidelines current minimum lot size be raised to 12,000 sq ft, and asks that the public comment period on this proposed ordinance be extended 90 days to March 15, 2010.

Thank You,

Albert Olson
