Ted Lieu
Assemblyman, 53rd District
State Capitol
P.O. Box 942849
Sacramento, CA 94249-0053

Dear Assemblyman Lieu,

The Mar Vista Community Council, at it's August 12th meeting, approved the following motion:

The Mar Vista Community Council strongly supports resolution AJR 37 (Lieu) currently under consideration by the California Legislature. We enthusiastically encourage its adoption by the Legislature. Furthermore, the MVCC appreciates Assemblymember Ted Lieu's leadership in creating and promoting this resolution.

The MVCC also believes the FAA should:

- a. engage in an open and transparent process to resolve community and airport stakeholder concerns that includes input from the Cities of Santa Monica and Los Angeles, appropriate local and state elected officials, and affected community organizations, and**
- b. honor the decision of the City of Santa Monica to increase safety precautions at SMO and restrict the use of class C and D aircrafts at SMO.**

The MVCC regards the City of Santa Monica's Ordinance, and Resolution AJR 37, as significant first steps to address the concerns of the communities surrounding the Santa Monica Airport regarding the safety, noise, and air pollution impacts of the Airport.

Regards,

Rob Kadota
Chair
Mar Vista Community Council
