Congressman Henry Waxman
30th District of California
U.S. House of Representatives
2204 Rayburn House Office Building
Washington, D.C. 20515

Dear Congressman Waxman,

The Mar Vista Community Council is extremely concerned that the Executive branch of the United States Government, under the auspices of the Federal Aviation Administration, has obtained a Temporary Restraining Order against the City of Santa Monica in order to prevent the City of Santa Monica from enforcing its recently adopted ordinance conforming the Santa Monica Airport to Category A and B aircraft.

The Council is in complete support of Santa Monica's attempt to create an Airport that is safe for users of the Airport and for community residents surrounding the Airport.

The MVCC therefore requests that Congresswoman Jane Harman, Congressman Henry Waxman, and Congressman James Oberstar investigate possible legislative action to require the FAA to accept and respect the intent of the City of Santa Monica with regard to its ordinance conforming the Airport to Category A and B aircraft.

Thank You,

Rob Kadota
Chair
Mar Vista Community Council

Cc: Congresswoman Jane Harman
Congressman James Oberstar
