RE: AB 162 (Holden), Wireless Facilities

Dear Councilmembers:

At the regularly scheduled meeting held June 11, 2013, The Mar Vista Community Council unanimously approved the following policy motion:

The MVCC Board supports the opposition of the City Council of Los Angeles to AB 162 (Holden), which would require local government to approve a request to modify wireless telecommunications facilities within 45 days of receipt, inasmuch as it undermines local land use control, and ultimately, the principle of home rule.

Sincerely,

Sharon Commins, Chair
Mar Vista Community Council
