May 4, 2017 at 6:30 p.m. at Windward School Room 1030

The mission of the Mar Vista Community Council (MVCC) is to provide a forum for discussion of issues that affect the quality of life of MVCC Stakeholders, and to facilitate stakeholder communication and serve as the advocate for the Council area with officials of the City of Los Angeles and other governmental and non-governmental entities.

The Mar Vista Community Council Planning and Land Use Committee Invites You to a Panel Discussion on

Measure S - The Neighborhood Integrity Initiative on the ballot this March

Wednesday, January 18, 7:00 p.m.

Windward School Boardroom 1030, Building C (by the baseball diamond)

Speaking for Measure S - Richard Platkin - a retired LA City Planner, who has taught planning courses at USC and CSUN, worked as a planning consultant, and who now writes a weekly column on local planning issues for CityWatchLA.

Speaking Against Measure S - Luke Klipp - a community organizer who has created an online group and in-person networking effort to support efforts to defeat Measure S and to create a more sustainable, livable Los Angeles.

Moderated by Damien Newton, MVCC PLUM Committee Chair

The mission of the Mar Vista Community Council (MVCC) is to provide a forum for discussion of issues that affect the quality of life of MVCC Stakeholders, and to facilitate stakeholder communication and serve as the advocate for the Council area with officials of the City of Los Angeles and other governmental and non-governmental entities.
