Secretary' Report:

All Letters/CISes completed with the exception of Nov 10, 2020 Agenda items 14.2 and 14.3, which still await contact into.

Zone 3 report:

Working with Hilltop Neighbors and Westdale Homeowners Association to register stakeholders to vote in June 8 Neighborhood Council election.

Met with Vishesh (CD11) regarding filming at 3407. Report:

- a) Moratoriums on filming have a 30 day maximum
- b) City Attorney does not generally step in on these concerns due their trepidation for City-wide consequences
- c) As Covid has prevented filming at any location for many months, the diary of monthly filming will have to begin again for this site in terms of providing opposition

Having done further research, discovered that LAPD Film Unit may provide a mechanism for curbing excessive filming. Film Unit Number is : 213 486 0410

Met with Hilltop Board Feb 25. Key items discussed:

- 1) NC elections
- 2) Filming in the area. Specific issue of filming at 3407. Committee will be formed to develop a comprehensive Hilltop Filming Request list to cover all sites within Hilltop's boundaries. Possible creation of a neighborhood liaison for film crews. Will be meeting separately with immediate neighbors of 3407 and another Hilltop Board member who works in the film industry to address their specific concerns.
- 3) Discussed CF 21-0063 Report Back to Council on City Owned Properties requested by DeLeon and Raman and its implications for Hilltop

Crime up in Zone 3 : Property crimes form the bulk of crimes, with catalytic converters number ing high among them. This is because they contain platinum, which has a high resale value. Unlocked doors and cars are a prime incentive. LAPD recommends calling emergencies on a land line, as that will immediately display the caller's address. Caller address does not display on cell calls and the caller may be too flustered to adequately convey this.
