

FRIENDS OF HISTORIC FIRE STATION 62

THE MAY 4TH COMMUNITY BBQ PICNIC IS BEING POSTPONED

Due to some unforeseen concerns that have arisen with the City regarding safety issues at the Historic Fire Station 62, we have reluctantly decided to postpone and relocate our Campaign Kick-off event to later in the month of May. We are very excited that some of our local restaurants have also indicated a desire to take part, and look forward to their contributions to the event.

**We will be sending out a new invitation and announcement shortly.
Please stay tuned!**
